The relevant assessment year for November, 2018 examination is A.Y.2018-19. The significant notifications/circulars issued upto 30.04.2018, relevant for November, 2018 examination, but not covered in the July 2017 edition of the Study Material, are given hereunder:

#### CHAPTER 2: RESIDENCE AND SCOPE OF TOTAL INCOME

**Clarification regarding liability to income-tax in India of a non-resident seafarer receiving remuneration in NRE (Non-Resident External) account maintained with an Indian Bank [Circular No.13/2017, dated 11.04.2017 and Circular No.17/2017, dated 26.04.2017]**

Income by way of salary, received by non-resident seafarers, for services rendered outside India on-board foreign ships, is being subjected to tax in India for the reason that the salary has been received by the seafarer into the NRE bank account maintained in India by the seafarer. On receiving representations in this regard, the CBDT has examined the matter. It noted that section 5(2)(a) of the Income-tax Act, 1961 provides that only such income of a non-resident shall be subjected to tax in India that is either received or is deemed to be received in India.

Accordingly, the CBDT has, vide this circular, clarified that that salary accrued to a non-resident seafarer for services rendered outside India on a foreign going ship (with Indian flag or foreign flag) shall not be included in the total income merely because the said salary has been credited in the NRE account maintained with an Indian bank by the seafarer.

#### CHAPTER 4: HEADS OF INCOME UNIT IV: CAPITAL GAINS

**Long-term specified asset notified for the purpose of claiming exemption under section 54EC [Notification No. 47/2017, dated 08.06.2017 and Notification No. 79/2017, dated 08.08.2017]**

Section 54EC provides exemption from chargeability of capital gain from the transfer of a long-term capital asset where the assessee has invested the whole or any part of the capital gain in a long-term specified asset. As per clause (ba) of *Explanation* to section 54EC "long term specified asset" means any bond redeemable after three years and issued on or after 01.04.07 by the National Highways Authority of India (NHAI) or by the Rural Electrification Corporation Limited (RECL) or any other bond notified by the Central Government in this behalf.

Accordingly, the Central Government has, vide these notifications, notified any bond redeemable after three years and issued by the **Power Finance Corporation Limited** on or

after 15.06.17 or by the **Indian Railway Finance Corporation Limited** on or after 08.08.17 as 'long-term specified asset'.

**CHAPTER 4: HEADS OF INCOME  
UNIT V: INCOME FROM OTHER SOURCES**

**Clarification regarding trade advance not to be treated as deemed dividend under section 2(22)(e) – [Circular No. 19/2017, dated 12.06.2017]**

Section 2(22)(e) provides that "dividend" includes any payment by a company in which public are not substantially interested, of any sum by way of **advance or loan** to a shareholder who is the beneficial owner of shares holding not less than 10% of the voting power, or to any concern in which such shareholder is a member or a partner and in which he has a substantial interest or any payment by any such company on behalf, or for the individual benefit, of any such shareholder, to the extent to which the company in either case possesses accumulated profits.

The CBDT observed that some Courts in the recent past have held that trade advances in the nature of commercial transactions would not fall within the ambit of the provisions of section 2(22)(e) and such views have attained finality.

In view of the above, the CBDT has, vide this circular, clarified that it is a settled position that trade advances, which are in the nature of commercial transactions, would not fall within the ambit of the word 'advance' in section 2(22)(e) and therefore, the same would not to be treated as deemed dividend.

**CHAPTER 7: DEDUCTIONS FROM GROSS TOTAL INCOME**

**Contributory Health Service Scheme notified for the purpose of section 80D [Notification No. 9 /2018 dated 16-2-2018]**

Under section 80D, a deduction to the extent of ₹ 25,000 (₹ 30,000, in case of resident senior citizens) is allowed in respect of premium paid to effect or keep in force an insurance on the health of self, spouse and dependent children or any contribution made to the Central Government Health Scheme or such other health scheme as may be notified by the Central Government.

**CHAPTER 9: ADVANCE TAX, TAX DEDUCTION AT SOURCE AND INTRODUCTION  
TO TAX COLLECTION AT SOURCE**

**Deduction of tax at source on interest income accrued to minor child, where both the parents have deceased [Notification No. 05/2017, dated 29.05.2017]**

Under Rule 31A(5) of the Income-tax Rules, 1962, the Director General of Income-tax (Systems) is authorized to specify the procedures, formats and standards for the purposes of furnishing and

verification of, *inter alia*, the statements and shall be responsible for the day-to-day administration in relation to furnishing and verification of the statements in the manner so specified.

The Principal Director General of Income-tax (Systems) has, in exercise of the powers delegated by the CBDT under Rule 31A(5), specified that in case of minors where both the parents have deceased, TDS on the interest income accrued to the minor is required to be deducted and reported against PAN of the minor child unless a declaration is filed under Rule 37BA(2) that credit for tax deducted has to be given to another person.

unless a declaration is filed under Rule 37BA(2) that credit for tax deducted has to be given to another person.

**No requirement to deduct tax at source under section 194-I on remittance of Passenger Service Fees (PSF) by an Airline to an Airport Operator [Circular No. 21/2017, dated 12.06.2017]**

Section 194-I requires deduction of tax at source at specified percentage on any income payable to a resident by way of rent. *Explanation* to this section defines the term “rent” as any payment, by whatever name called, under any lease, sub-lease, tenancy or any other agreement or arrangement for the use of any (a) land; or (b) building; or (c) land appurtenant to a building; or (d) machinery; (e) plant; (f) equipment (g) furniture; or (h) fitting, whether or not any or all of them are owned by the payee.

The primary requirement of any payment to qualify as rent is that the payment must be for the use of land and building and mere incidental/minor/insignificant use of the same while providing other facilities and service would not make it a payment for use of land and buildings so as to attract section 194-I.

Accordingly, the CBDT has, vide this circular, clarified that the provisions of section 194-I shall **not** be applicable on payment of PSF by an airline to Airport Operator.

comprised in the amount payable to a resident is indicated separately, tax shall be deducted at source on the amount paid or payable without including such service tax component.

In order to harmonize the same treatment with the new system for taxation of services under the GST regime w.e.f. 01.07.2017, the CBDT has, vide this circular, clarified that wherever in terms of the agreement or contract between the payer and the payee, the component of 'GST on services' comprised in the amount payable to a resident is indicated separately, tax shall be deducted at source on the amount paid or payable without including such 'GST on services' component.

GST shall include Integrated Goods and Services Tax, Central Goods and Services Tax, State Goods and Services Tax and Union Territory Goods and Services Tax.

Further, for the purposes of this Circular, any reference to "service tax" in an existing agreement or contract which was entered into prior to 01.07.2017 shall be treated as "GST on services" with respect to the period from 01.07.2017 onward till the expiry of such agreement or contract.

Medical expenses reimbursed by the employer is an exempt perquisite to the extent of ₹ 15,000 [Clause (v) of proviso to section 17(2)]. Therefore, ₹ 10,000, being the reimbursement in excess of ₹ 15,000 is a taxable perquisite.	10,000

Professional tax paid by the employer is a taxable perquisite as per section 17(2)(iv), since it is an obligation of the employee which is paid by the employer	1,500
Health insurance premium of ₹ 9,000 paid by the employer is an exempt perquisite [Clause (iii) of proviso to section 17(2)]	Nil

Professional tax paid allowable as deduction as per section 16(iii)	<u>3,000</u>
<b>Income chargeable under the head "Salaries"</b>	<b><u>12,39,600</u></b>

**Note:** As per Rule 3(7)(iv), the value of any gift or voucher received by the employee or by member of his household on ceremonial occasions or otherwise from the employer shall be determined as the sum equal to the amount of such gift. However, the value of any gift or voucher received by the employee or by member of his household below ₹ 5,000 in aggregate during the previous year would be exempt as per the proviso to Rule 3(7)(iv). In this case, the gift voucher of ₹ 15,000 was received by Mr. Narayan from his employer on the occasion of his birthday.

Since the value of the gift voucher exceeds the limit of ₹ 5,000, the entire amount of ₹ 15,000 is liable to tax as perquisite.

**An alternate view** possible is that only the sum in excess of ₹ 5,000 is taxable in view of the language of Circular No.15/2001 dated 12.12.2001, which states that such gifts upto ₹ 5,000 in the aggregate per annum would be exempt, beyond which it would be taxed as a perquisite. As per this view, the value of perquisite would be ₹ 10,000.

In such case, the gross salary and net salary would be, ₹ 12,37,600 and ₹ 12,34,600, respectively.

- (2) Provisions for bad debts is allowable as deduction under section 36(1)(viiia) (subject to the limits specified therein) only in case of banks, public financial institutions, State Financial Corporation and State Industrial Investment Corporation. Therefore, it is not allowable as deduction in the case of Mr. Chauhan.
- (3) Expenditure on family planning is allowed as deduction under section 36(1)(ix) only to a company assessee. Therefore, such expenditure is not allowable as deduction in the hands of Mr. Chauhan.
- (4) Income-tax paid is not allowable as deduction as per the provisions of section 40(a)(ii).

- (5) Since Mr. Chauhan's contribution (Employer's Contribution) to recognized provident fund is deposited after the due date of filing return of income, the same is disallowed as per provisions of section 43B, in computing business income of A.Y. 2018-19.
- (6) As per second proviso to section 43(1), the expenditure for acquisition of asset, in respect of which payment to a person in a day exceeds ₹ 10,000 has to be ignored for computing actual cost, if such payment is made otherwise than by way of A/c payee cheque/ bank draft or ECS. - (7) Employee's contribution is includible in the income of the employer by virtue of Section 2(24)(x). The deduction for the same is not provided for as it was deposited after the due date under the Provident Fund Act.

7. (a) Section 2(22)(e) provides that any payment by a company, not being a company in which public are substantially interested, of any sum by way of advance or loan
- to a shareholder, being a person who is the beneficial owner of shares holding not less than 10% of voting power, or
  - to any concern in which such shareholder is a partner and in which he has a substantial interest (i.e., he is beneficially entitled to not less than 20% of the income of such concern)

is deemed as dividend, to the extent the company possesses accumulated profits.

In the present case, the loan given by TRP(P) Ltd. to Pranav & Sons, a partnership firm would be deemed as dividend, since Mr. Pranav is the beneficial owner of 15% shareholding in TRP(P) Ltd. and also has substantial interest in Pranav & Sons (as he is beneficially entitled to 50% of the income of the firm).

However, the amount of loan would be deemed as dividend only to the extent TRP(P) Ltd. possesses accumulated profits. Therefore, out of the loan of ₹ 35 lakhs given to Pranav & Sons, only ₹ 30 lakhs, i.e., to the extent of accumulated profit of TRP(P) Ltd., would be deemed as dividend.

(b)

S. No.	Taxable / Not Taxable	Reason
(i)	<b>Taxable</b>	Since MNS Private Limited, a closely held company, issued 12,000 shares at a premium (i.e., issue price exceeds the face value of shares), the excess of the issue price of the shares over the fair market value would be taxable under section 56(2)(viiib) in its hands under the head "Income from other sources". Therefore, ₹ 1,80,000 [12,000 × ₹ 15 (₹ 125 – ₹ 110)] shall be taxable as income in the hands of MNS Private Limited under the head "Income from other sources".
(ii)	<b>Taxable</b>	Any sum of money received as an advance or otherwise in the course of negotiations for transfer of a capital asset would be chargeable to tax under the head "Income from other sources", if such amount is forfeited and the negotiations do not result in transfer of such capital asset [Section 56(2)(ix)]. Therefore, the amount of ₹ 56,000 received as advance would be chargeable to tax in the hands of Mr. Arun under the head "Income from other sources", since it is forfeited on account of cancellation of contract for transfer of house, being a capital asset, due to non-payment of installment in time.

(iii)	<b>Not Taxable</b>	As per section 56(2)(x), immovable property received without consideration by any person from his relative is <b>not</b> taxable. In the present case, since Mr. Nitin is the father of Mr. Raj, ₹ 12 lakhs, being the stamp duty value of house property received, without consideration, would not be chargeable to tax in the hands of Mr. Raj.
(iv)	<b>Not Taxable</b>	Refrigerator is <b>not</b> included in the definition of "property", for the purpose of taxability under section 56(2)(x) in the hands of the recipient under the head "Income from other sources". Further, the same has been received by Tannu on occasion of her marriage from her maternal uncle, being a relative. Hence, ₹ 75,000, being the fair market value of refrigerator received without consideration from a relative on the occasion of a her marriage is not taxable in the hands of Tannu, even though its value exceeds ₹ 50,000.

8. In computing the total income of any individual, there shall be included all such income as arises directly or indirectly, to the spouse of such individual from assets transferred directly or indirectly, to the spouse by such individual otherwise than for adequate consideration or in connection with an agreement to live apart.

**Interest on loan:** Accordingly, ₹ 60,000, being the amount of interest on loan received by Mrs. Sandhya, wife of Mr. Saharsh, would be includible in the total income of Mr. Saharsh, since such loan was given by her out of the sum of money received as gift from her husband.

**Loss from business:** As per *Explanation 2* to section 64, income includes loss. Thus, clubbing provisions would be attracted even if there is loss and not income.

Thus, the entire loss of ₹ 25,000 from the business carried on by Mrs. Sandhya would be includible in the total income of Mr. Saharsh, since as on 1<sup>st</sup> April 2017, the capital invested was entirely out of the funds gifted by her husband.

**Short-term capital gain:** The short-term capital gain of ₹ 25,000 (₹ 85,000, being the sale consideration **less** ₹ 60,000, being the cost of acquisition) arising in the hands of Mrs. Sandhya from sale of shares acquired by investing the interest income of ₹ 60,000 earned by her (from the loan given out of the sum gifted to her by her husband), would not be included in the hands of Mr. Saharsh. Since securities transaction tax has been paid, such short-term capital gain on sale of listed shares is taxable@15%

Income from the accretion of the transferred asset is not liable to be included in the hands of the transferor and, therefore, such income is taxable in the hands of Mrs. Sandhya.

10.

<b>Computation of deduction under section 80JJAA</b>
Mr. Anay is eligible for deduction under section 80JJAA since he is subject to tax audit under section 44AB for A.Y.2018-19, as his total turnover from business exceeds ₹ 1 crore and he has employed "additional employees" during the P.Y.2017-18.
Additional employee cost = [₹ 22,000 × 40 new regular employees × 11 months] + [₹ 15,000 per month × 9 months × 25 new contractual employees] = ₹ 96,80,000 + ₹ 33,75,000 = ₹ 1,30,55,000
Deduction under section 80JJAA = 30% of ₹ 1,30,55,000 = ₹ 39,16,500.

**Working Note: Number of Additional employees employed during the P.Y.2017-18**

Yes, the answer would be different, if Mr. Anay is engaged in the business of manufacture of apparel. Since the number of days of employment in a year has been relaxed from 240 days to 150 days in case of apparel industry, wages paid to regular employees employed on 1.10.2017 would also qualify for deduction under section 80JJAA for A.Y. 2018-19.

$$\begin{aligned} \text{Additional employee cost} &= ₹ 1,30,55,000 + ₹ 33,00,000 \text{ (₹ 22,000 x 6 x 25)} \\ &= ₹ 1,63,55,000 \end{aligned}$$

$$\text{Deduction under section 80JJAA} = 30\% \text{ of ₹ 1,63,55,000} = ₹ 49,06,500$$

12. Tax is deductible @10% under section 194A in respect of interest credited or paid by a banking company, if the same exceeds ₹ 10,000.

This threshold is with reference to interest credited or paid by a branch of the bank, where the bank has not adopted core banking solutions.

On the other hand, if the bank has adopted core banking solutions, then, the threshold of ₹ 10,000 would apply in respect of the aggregate interest credited or paid by all the branches of the bank.

Therefore, if Shurya Bank Ltd. has not adopted core banking solutions, it need not deduct tax on interest of ₹ 7,000 and ₹ 8,000 paid by its Lucknow Branch and Kanpur Branch, respectively, to Mr. Bhuwan, since the interest paid by each branch does not exceed ₹ 10,000.

However, if Shurya Bank Ltd. has adopted core banking solutions, it has to deduct tax at source @10% on ₹ 15,000 (₹ 7,000 + ₹ 8,000) under section 194A, since the aggregate interest paid by its Lucknow and Kanpur branches exceed ₹ 10,000.

## 13. Determination of Advance Tax Liability of Mr. Shikhar

Particulars		₹
Estimated tax liability for the financial year 2017-18		85,000
<b>Less:</b> Tax deducted at source		<u>15,000</u>
<b>Tax payable</b>		<b><u>70,000</u></b>
Due Date of installment	Amount payable	₹
On or before 15 <sup>th</sup> June, 2017	Not less than 15% of advance tax liability	10,500
On or before 15 <sup>th</sup> September, 2017	Not less than 45% of advance tax liability <i>less</i> amount paid in earlier installment	21,000 (₹ 31,500, being 45% of ₹ 70,000 - ₹ 10,500)
On or before 15 <sup>th</sup> December, 2017	Not less than 75% of advance tax liability <i>less</i> amount paid in earlier installment(s)	21,000 (52,500, being 60% of ₹ 70,000 - ₹ 31,500)
On or before 15 <sup>th</sup> March, 2018	Whole of the advance tax liability <i>less</i> amount paid in earlier installment(s)	17,500 (70,000, being 100% of ₹ 70,000 - ₹ 52,500)

In case he is eligible for presumptive tax provisions under section 44AD and his entire tax liability is on account of such income, he can pay his entire advance tax liability in one installment on or before 15.3.2018, without attracting interest under section 243C.

This benefit would, however, not be available if he is eligible for and has opted for presumptive tax provisions under section 44AE, in which case he has to pay his advance tax in four installments as indicated above, failing which interest under section 234C would be attracted.

14. As per section 206(1F), every person, being a seller, who receives any amount as consideration for sale of a motor vehicle of the value exceeding ₹ 10 lakhs, shall collect tax from the buyer@1% of the sale consideration.

In case of sale of a motor vehicle, tax shall be collected at the time of receipt of such amount.

The CBDT has, vide *Circular No. 22/2016 dated 8.6.2016* and *Circular No.23/2016 dated 24.6.2016*, clarified that tax is required to be collected at source on all transactions of retail sales and accordingly, it will not apply on sale of motor vehicles by manufacturers to dealers/distributors.

15. As per section 139(5), if any person, having furnished a return under section 139(1), within the due date or a belated return under section 139(4), discovers any omission or any wrong statement therein, he may furnish a revised return at any time –
- (a) before the end of the relevant assessment year or
  - (b) before the completion of assessment,
- whichever is earlier.

For assessment year 2018-19, the belated return has to be **furnished before 31<sup>st</sup> March 2019 or before completion of assessment**, whichever is earlier.

Since Mr. Atharv has filed **his return after 31.7.2018**, being the due date of filing return of income under section 139(1) in his case, **but before 31.3.2019/completion of assessment**, the said return is a **belated return**.

Thus, in the present case, Mr. Atharv **can file a revised return**, since he has found an omission in the belated return filed by him for A.Y.2018-19 and assessment is yet to be completed<sup>5</sup> and 31.3.2019, being the end of A.Y.2018-19 has not elapsed.

### SUGGESTED ANSWERS/HINTS

1. **Computation of GST liability of M/s. Shri Durga Corporation Pvt. Ltd. for the month of February, 20XX**

Particulars	Value of Supply	CGST (₹)	SGST (₹)	IGST (₹)
Intra -State sale of taxable goods [Note-1]	4,00,000	36,000	36,000	
Goods purchased from unregistered dealer on 20 <sup>th</sup> February, 20XX [Note-2]	Nil	Nil	Nil	
Services rendered by way of labour contracts for repairing a single residential unit otherwise than as a part of residential complex [Note-3]	1,00,000	9,000	9,000	
Goods transport services received from GTA [Note-4]	2,00,000			Nil

Total GST liability for the month of February, 20XX	45,000	45,000	Nil
Less: Input tax credit available [Note-5] (₹ 2,00,000 x 12%)	<u>24,000</u>		
Net GST liability for the month of February, 20XX	21,000	45,000	Nil

**Notes:**

- Section 12 of CGST Act, 2017 read with *Notification No. 66/2017 CT dated 15.11.2017* provides that the time of supply for all suppliers of goods (excluding composition suppliers) is the time of issue of invoice, without any turnover limit. Thus, liability to pay tax on the advance received in January, 20XX will also arise in the month of February, when the invoice for the supply is issued.
  - All intra-State and inter-State procurements made by a registered person from unregistered person have been exempted from reverse charge liability, without any upper limit for daily procurements upto 30.06.2018\*1. [*Notification No. 8/2017 CT (R) dated 28.06.2017 as amended and Notification No. 32/2017 IT(R) dated 13.10.2017 as amended*]
  - Services by way of pure labour contracts of construction, erection, commissioning, or installation of original works pertaining to a single residential unit otherwise than as a part of a residential complex are exempt vide *Notification No. 12/2017 CT(R) dated 28.06.2017*. Labour contracts **for repairing** are thus, taxable.
  - As per *Notification No. 13/2017 CT(R) dated 28.06.2017*, GST is payable by the recipient on reverse charge basis on the receipt of services of transportation of goods by road from a goods transport agency (GTA) provided such GTA has **not** paid GST @ 12%. Since in the given case, services have been received from a GTA who has paid GST @ 12%, reverse charge provisions will not be applicable.
  - Input tax credit is available for the services received from GTA. The input tax credit of IGST can be used against IGST, CGST and SGST in the respective order vide section 49(5) of CGST Act, 2017.
- 2. Computation of input tax credit (ITC) available with Cloud Seven Private Limited for the month of February, 20XX**

Particulars	₹
Trucks used for the transport of raw material [Note-1]	1,20,000
Foods and beverages for consumption of employees working in the factory [Note-2]	Nil
Inputs are to be received in five lots, out of which third lot was received during the month [Note-3]	Nil

\* The above exemptions have been extended till 30.09.2018 vide *Notification No. 12/2018 CT(R) dated 29.06.2018* and *Notification No. 13/2018 IT(R) dated 29.06.2018*.

Membership of a club availed for employees working in the factory [Note-4]	Nil
Capital goods (out of five items, invoice for one item was missing and GST paid on that item was ₹ 50,000) [Note-5]	3,50,000
Raw material to be received in March, 20XX [Note-6]	<u>Nil</u>
<b>Total ITC</b>	<b>4,70,000</b>

**Notes:-**

1. ITC on motor vehicles is disallowed in terms of section 17(5) of the CGST Act, 2017, except when they are used *inter alia*, for transportation of goods.
  2. ITC on food or beverages is specifically disallowed unless the same is used for making outward taxable supply of the same category or as an element of the taxable composite or mixed supply- [Section 17(5)].
  3. When inputs are received in instalments, ITC can be availed only on receipt of last instalment- [Section 16(2)].
  4. Membership of a club is specifically disallowed under section 17(5) of the CGST Act, 2017.
  5. ITC cannot be taken on missing invoice. The registered person should have the invoice in its possession to claim ITC [Section 16(2) of CGST Act, 2017] .
  6. Input tax credit is available only upon the receipt of goods in terms of section 16(2) of CGST Act, 2017.
3. A registered person, whose aggregate turnover in the preceding financial year did not exceed ₹ 1 crore [₹ 75 lakh in case of special category States except Jammu and Kashmir and Uttarakhand], may opt for composition scheme vide section 10 of CGST Act, 2017.

However, he shall not be eligible to opt for composition scheme if, *inter alia*, he is engaged in the supply of services other than restaurant services.

- (i) In the given case, since M/s Handsome and Likemi Company is engaged in supply of health and fitness service, it is not eligible to opt for composition scheme irrespective of its turnover in the preceding financial year.
- (ii) The answer will remain the same i.e., M/s. Handsome & Likemi Company will not be eligible to opt for composition scheme even with the change in the turnovers.
- (iii) Where more than one registered persons are having the same Permanent Account Number, the registered person shall not be eligible to opt for composition scheme unless all such registered persons opt to pay tax under composition scheme.

Therefore, M/s. Handsome and Likemi Company will not be able to opt for composition scheme only for mobile phone showroom as all the registrations under

the same PAN have to opt for composition scheme and since the supply of health and fitness service is ineligible for composition scheme, supply of mobile phones too becomes ineligible for composition scheme.

4. A supplier whose aggregate turnover in a financial year exceeds ₹ 20 lakh in a State/UT [₹ 10 lakh in special category states except Jammu & Kashmir and Uttarakhand] is liable to apply for registration within 30 days from the date of becoming liable to registration (i.e., the date of crossing the threshold limit of ₹ 20 lakh/ ₹ 10 lakh) vide section 22 of CGST Act, 2017.

Where the application is submitted within said period, the effective date of registration is the date on which the person becomes liable to registration; otherwise it is the date of grant of registration.

Every registered person who has been granted registration with effect from a date earlier than the date of issuance of registration certificate to him, may issue revised tax invoices in respect of taxable supplies effected during this period within 1 month from the date of issuance of registration certificate.

In the given case, Luv & Kush Pvt. Ltd is located in Jammu & Kashmir, a special category state. Though the turnover limit for special category states is ₹ 10 lakh, Jammu & Kashmir has opted for turnover limit of ₹ 20 lakh for the purpose of registration. Thus, since Luv & Kush Pvt. Ltd. has made the application for registration within 30 days of becoming liable for registration, the effective date of registration becomes the date on which the company becomes liable to registration i.e. 05.09.20XX.

Thus, Luv & Kush Pvt. Ltd. may issue revised tax invoices against the invoices already issued during the period between effective date of registration (05.09.20XX) and the date of issuance of registration certificate (06.10.20XX), within 1 month from 06.10.20XX.

Further, Luv & Kush Pvt. Ltd may issue a consolidated revised tax invoice in respect of all taxable supplies made to unregistered dealers during such period. However, in case of inter-State supplies made to unregistered dealers, a consolidated revised tax invoice cannot be issued if the value of a supply exceeds ₹ 2,50,000.

[Since subsidy is received from a non-Government body, the same is includible in the value in terms of section 15 of the CGST Act, 2017]

<b>Value of taxable supply</b>	<b>15,90,085</b>

However, the same shall not apply to services by way of renting of immovable property.

In the given case, services by way of renting of immovable property is provided by Maharashtra Government to Ganpati Morya Pvt. Ltd, registered in Maharashtra. Therefore, the above exemption will not apply in this case even though the turnover of the company was less than ₹ 20 lakh in the preceding financial year. Thus, GST is payable in the given case.

Thus, GST is payable by Ganpati Morya Pvt. Ltd., being a registered person in the present case.

- (b) *Notification No. 13/2017 CT (R) dated 28.06.2017* *inter alia* provides that GST on supply of services by director of a company to the said company located in the taxable territory is payable on reverse charge basis.
