2. (a) Under section 6(1), an individual is said to be resident in India in any previous year, if he satisfies any one of the following conditions:

- (i) He has been in India during the previous year for a total period of 182 days or more, or
- (ii) He has been in India during the 4 years immediately preceding the previous year for a total period of 365 days or more and has been in India for at least 60 days in the previous year.

If an individual satisfies any one of the conditions mentioned above, he is a resident. If both the above conditions are not satisfied, the individual is a non-resident.

Therefore, the residential status of Mrs. Rose, an Australian, for A.Y.2023-24 has to be determined on the basis of her stay in India during the previous year relevant to A.Y. 2023-24 i.e. P.Y.2022-23 and in the preceding four previous years.

Her stay in India during the previous year 2022-23 and in the preceding four years are as under:

P.Y. 2022-23

01.04.2022 to 15.09.2022	-	168 days
23.03.2023 to 31.03.2023	-	<u>9 days</u>
Total		<u>177 days</u>

Four preceding previous years

P.Y.2021-22 [1.4.2021 to 31.3.2022]	-	42 days
P.Y.2020-21 [1.4.2020 to 31.3.2021]	-	Nil
P.Y.2019-20 [1.4.2019 to 31.3.2020]	-	Nil
P.Y.2018-19 [1.4.2018 to 31.3.2019]	-	<u>Nil</u>
Total		<u>42 days</u>

The total stay of Mrs. Rose during the previous year in India was less than 182 days and during the four years preceding this year was for 42 days. Therefore, due to non-fulfillment of any of the two conditions for a resident, she would be treated as non-resident for the Assessment Year 2023-24.

Computation of gross total income of Mrs. Rose for the A.Y. 2023-24

Particulars		₹	₹
Income from house property			
Flat located in Delhi let-out from 01.05.2022 to 31.03.2023 @ ₹ 25,000/- p.m.

(b) TDS implications

- (i) The arrangement between Mr. Amar, the customer, and M/s. Fresh Cold Storage Pvt. Ltd., the cold storage owner, is basically contractual in nature and main object of the cold storage is to preserve perishable goods by mechanical process and storage of such goods is only incidental. Hence, the provisions of section 194C will be applicable to the amount of ₹ 6 lakh paid by Mr. Amar to the cold storage company³.

Accordingly, tax has to be deducted @ 2% on ₹ 6 lakh.

$$\text{TDS u/s 194C} = 2\% \times ₹ 6 \text{ lakh} = ₹ 12,000$$

- (ii) Mr. Ramu, being a salaried individual, has to deduct tax at source @ 5% u/s 194-IB on the annual rent paid by him from the last month's rent (rent of March, 2023), since the rent paid by him exceeds ₹ 50,000 p.m.

Since his landlord Mr. Shiv Kumar has not furnished his PAN to Mr. Ramu, tax has to be deducted @ 20% instead of 5%. However, the same cannot exceed ₹ 60,000, being rent for March, 2023.

$$\text{TDS u/s 194-IB} = ₹ 5,40,000 \text{ (₹ 60,000} \times 9) \times 20\% = ₹ 1,08,000, \text{ but restricted to ₹ 60,000, being rent for March, 2023.}$$

(c) TCS implications

- (i) Tax @ 5% is required to be collected u/s 206C(1G) by the seller of an overseas tour programme package from Mr. Kalpit, being the buyer of an overseas tour package, even if payment is made by account payee cheque.

Accordingly, tax has to be collected @ 5% on ₹ 5 lakh.

$$\text{TCS} = 5\% \times ₹ 5 \text{ lakh} = ₹ 25,000$$

- (ii) Mr. Anuj is required to collect tax @ 0.1% u/s 206C(1H) from Mr. Ram, since his turnover in the P.Y. 2021-22 exceeds ₹ 10 crores, and the sales receipts from Mr. Ram in the P.Y. 2022-23 exceeds ₹ 50 lakhs. Tax has to be collected by Mr. Anuj on ₹ 25 lakhs, being the amount exceeding ₹ 50 lakhs, at the time of receipt.

$$\text{TCS} = 0.1\% \times ₹ 25 \text{ lakhs} = ₹ 2,500$$

Cost of construction of first floor in August, 2015	3,90,000
Indexed cost of improvement (₹ 3,90,000 x 331/254)	5,08,228

- (3) Where advance money has been received by the assessee, and retained by him, as a result of failure of the negotiations, section 51 will apply. The advance retained by the assessee will go to reduce the cost of acquisition. Indexation is to be done on the cost of acquisition so arrived at after reducing the advance money forfeited [i.e. ₹ 10,70,000 ₹ 1,11,000 (being the advance money forfeited during the P.Y.2008-09) = ₹ 9,59,000]. However, where the advance money is forfeited during the previous year 2014-15 or thereafter, the amount forfeited would be taxable under the head "Income from Other Sources" and such amount will not be deducted from the cost of acquisition of such asset while calculating capital gains. Hence, ₹ 1,51,000, being the advance received from Ms. Deepshikha and retained by him, would have been taxable under the head "Income from other sources" in the hands of Mr. Shiva in A.Y.2016-17.

Loss from speculation business X (₹ 85,000 - ₹ 45,000)	40,000
Loss from speculation business can be set-off only against profits of any other speculation business. If loss cannot be so set-off, the same has to be carried forward to the subsequent year for set off against income from speculation business, if any, in that year.	

- (b) As per section 27(i), an individual who transfers otherwise than for adequate consideration any house property to his spouse, not being a transfer in connection with an agreement to live apart, shall be deemed to be the owner of the house property so transferred.

Therefore, in this case, Mr. Om would be the deemed owner of the house property transferred to his wife Mrs. Uma without consideration.

As per section 64(1)(vi), income arising to the son's wife from assets transferred, directly or indirectly, to her by an individual otherwise than for adequate consideration would be included in the total income of such individual.

Income from let-out property is ₹ 2,10,000 [i.e., ₹ 3,00,000, being the actual rent calculated at ₹ 25,000 per month less ₹ 90,000, being deduction under section 24@30% of ₹ 3,00,000]

In this case, income of ₹ 2,10,000 from let-out property arising to Mrs. Pallavi, being Mr. Om's son's wife, would be included in the income of Mr. Om, applying the provisions of section 27(i) and section 64(1)(vi). Such income would, therefore, not be taxable in the hands of Mrs. Pallavi.

In case the property was gifted to Mr. Om's son, the clubbing provisions under section 64 would not apply, since the son is not a minor child. Therefore, the income of ₹ 2,10,000 from letting out of property gifted to the son would be taxable in the hands of the son.

It may be noted that the provisions of section 56(2)(x) would not be attracted in the hands of the recipient of house property, since the receipt of property in each case was from a "relative" of such individual. Therefore, the stamp duty value of house property would not be chargeable to tax in the hands of the recipient of immovable property, even though the house property was received by her or him without consideration.

Note - The first part of the question can also be answered by applying the provisions of section 64(1)(vi) directly to include the income of ₹ 2,10,000 arising to Mrs. Pallavi in the hands of Mr. Om. [without first applying the provisions of section 27(i) to deem Mr. Om as the owner of the house property transferred to his wife Mrs. Uma without consideration], since section 64(1)(vi) speaks of clubbing of income arising to son's wife from indirect transfer of assets to her by her husband's parent, without consideration. Gift of house property by Mr. Om to Mrs. Pallavi, via Mrs. Uma, can be viewed as an indirect transfer by Mr. Om to Mrs. Pallavi.

- (c) (i) If the defect is not rectified within the period of 15 days or such further extended period, then, the return would be treated as an invalid return. The consequential effect would be the same as if the assessee had failed to furnish the return.
- (iii) The Assessing Officer has the power to condone the delay and treat the return as a valid return, if the assessee has rectified the return after the expiry of 15 days or the further extended period, but before the assessment is made.

2. (a) (i) Services by way of health care services by a clinical establishment, an authorised medical practitioner or para-medics are exempt from GST. Food supplied to the in-patients by a canteen run by the hospital, as advised by the doctor/nutritionists, is a part of composite supply of healthcare and not separately taxable. Thus, said services are exempt from GST.
- (ii) Supply of service by a RWA (unincorporated body or a non-profit entity registered under any law) to its own members by way of reimbursement of charges or share of contribution up to an amount of ₹ 7500 per month per member for providing services and goods for the common use of its members in a housing society/a residential complex are exempt from GST. Hence, in the given case, services provided by the RWA are exempt from GST since the maintenance charges collected per month per member do not exceed ₹ 7500.

- (b) (i) The registered person, whose aggregate turnover in the preceding financial year does not exceed ₹ 1.5 crore, may opt to pay tax under composition levy, under section 10(1) and 10(2).

The scheme can be availed by an intra-State supplier of goods and supplier of restaurant service.

However, the composition scheme permits supply of marginal services (other than restaurant services) for a specified value along with the supply of goods and restaurant service, as the case may be.

Thus, M/s United Electronics can opt for composition scheme for the current financial year as its aggregate turnover is less than ₹ 1.5 crore in the preceding financial year and it is not engaged in inter-State outward supplies.

- (ii) The registered person opting for composition scheme, under section 10(1) and 10(2), can also supply services (other than restaurant services) for a value up to 10% of the turnover in the preceding year or ₹ 5 lakh, whichever is higher, in the current financial year.

Thus, M/s United Electronics can supply repair and maintenance services up to a value of ₹ 12 lakh [10% of ₹ 120 lakh or ₹ 5 lakh, whichever is higher] in the current financial year.

3. (a) (a) Every supplier becomes liable to registration if his turnover exceeds the applicable threshold limit [₹ 40 lakh in this case] in a financial year. Since in the given case, the turnover of Dhampur Industries exceeded ₹ 40 lakh on 1st September, it becomes liable to registration on said date.

Further, since the application for registration has been submitted within 30 days from such date, the registration shall be effective from the date on which the person becomes liable to registration. Therefore, the effective date of registration is 1st September.

- (b) Since in the given case, the turnover of Mehta Teleservices exceeds the applicable threshold limit [₹ 20 lakh] on 25th October, it becomes liable to registration on said date.

Further, since the application for registration has been submitted after 30 days from the date such person becomes liable to registration, the registration shall be effective from the date of grant of registration. Therefore, the effective date of registration is 5th December.

- (b) Udai Singh is required to issue a receipt voucher at the time of receipt of advance payment with respect to services to be supplied to Sujamal. A receipt voucher is a document evidencing receipt of advance money towards a supply of goods and/or services or both. A registered person, on receipt of advance payment with respect to any supply of goods or services or both, shall issue a receipt voucher or any other document, evidencing receipt of such payment.

Where, on receipt of advance payment with respect to any supply of goods or services or both the registered person issues a receipt voucher, but subsequently no supply is made and no tax invoice is issued in pursuance thereof, the said registered person may issue to the person who had made the payment, a refund voucher against such payment. Therefore, in case subsequently no services are supplied by Udai Singh, and no tax invoice is issued in pursuance thereof, Udai Singh may issue a refund voucher against such payment to Sujamal.

4. (a) The condition of payment of value of supply plus tax within 180 days does not apply in the following situations:

- (a) Supplies on which tax is payable under reverse charge
- (b) Deemed supplies without consideration
- (c) Additions made to the value of supplies on account of supplier's liability, in relation to such

supplies, being incurred by the recipient of the supply.

- (b) The statement is not correct. Supply of goods on hire purchase shall be treated as supply of goods as there is transfer of title, albeit at a future date.
- (c) Filing of GSTR-3B is mandatory for all normal and casual taxpayers, even if there is no business activity in any particular tax period. For such tax period(s), a Nil GSTR-3B is required to be filed.

A Nil GSTR-3B does not have any entry in any of its tables. For example, a Nil GSTR-3B for a tax period cannot be filed, if the taxpayer has made any outward supply (including nil-rated, exempt or non-GST supplies) or has received any supplies which are taxable under reverse charge or it intends to take ITC etc.

A Nil GSTR-3B can be filed through an SMS using the registered mobile number of the taxpayer. GSTR-3B submitted through SMS is verified by registered mobile number-based OTP facility.

A taxpayer may file Nil GSTR-3B, anytime on or after the 1st day of the subsequent month/quarter for which the return is being filed for.
