PREFACE

Under the New Scheme of Education and Training which was introduced on 1st July, 2023, 30% of the examination assessment is by the way of Objective Type Questions at Intermediate and Final level. Therefore, to provide hands-on practice for such type of questions, BOS launched MCQ Paper Practice Portal on 1st July, 2023. This online portal contains independent MCQs as well as case scenario based MCQs both for conceptual clarity and practice of the students.

In continuation to this handholding initiative and to provide quality academic inputs to the students to help them grasp the intricate aspects of the subject, the Board of studies has brought forth subject-wise booklets on Case Scenarios at the Intermediate and Final level. These booklets are meticulously designed to assist Chartered Accountancy (CA) students in their preparation of the CA course.

At Final level, the '**Booklet on Case Scenarios for Paper 5: Indirect Tax Laws**' contains the case scenarios based on the GST law which have been answered on the basis of the provisions of the Central Goods and Services Tax Act, 2017 (CGST Act, 2017) and the Integrated Goods and Services Act, 2017 (IGST Act, 2017) as amended by the Finance (No. 2) Act, 2024, including significant circulars and notifications issued and other legislative amendments made, which have become effective up to 31.10.2024. The case scenario-based MCQs are all application oriented MCQs and arise from the facts of the case. At the end of each case scenario followed by MCQs, we have also provided explanations/hints for each MCQ which will enable the students to evaluate their performance and identify areas requiring further attention.

This booklet is relevant for May 2025 and November 2025 examinations. Please note that before working out the MCQs of this booklet, students have to be thorough with the provisions and concepts of the Goods and Services Tax law as discussed in the November, 2024 edition of the Study Material, which is based on the provisions of the CGST Act, 2017 and the IGST Act, 2017 as amended by the Finance (No. 2) Act, 2024, including significant circulars and notifications issued and other legislative amendments made, which have become effective up to 31.10.2024.

Students appearing for November 2025 examinations also need to go through the Statutory Update for November 2025 examinations which will be web-hosted at the BoS Knowledge Portal, containing the significant notifications, circulars and other legislative amendments made, from 01.11.2024 to 30.04.2025.

Unless otherwise specified, the section numbers and rules referred in the booklet pertain to the CGST Act, 2017 and the CGST Rules, 2017 respectively (except where the section numbers and rule numbers pertain to the IGST Act, 2017 and the IGST Rules, 2017).

After attaining conceptual clarity by reading the Study Material (and Statutory Update, if applicable), you are expected to apply the concepts learnt in answering the MCQs given in this booklet. You have to read the case scenarios and the MCQs, identify the provisions of tax law involved, apply the provisions correctly in addressing the issue raised/making the computation required in the MCQ, and finally, choose the correct answer. This process of learning concepts and provisions of tax laws and solving MCQs based thereon will help you attain conceptual clarity and hone your application and analytical skills so that you are able to approach the examination with confidence and a positive attitude.

We are confident that this booklet will serve as a valuable companion in your preparation journey. We encourage students to make the most of this resource by engaging deeply with the scenarios, reflecting on the MCQs, and embracing the learning process.

Best wishes for your studies and success in the CA Final Examination!

 - (c) GST is not applicable and the place of supply is Mauritius.
 - (d) GST is applicable and the place of supply is Mauritius.

ANSWERS TO MULTIPLE CHOICE QUESTIONS

1. **Option (c)** ₹ 2,160 payable as IGST.

Reason

Computation of total GST liability (net of ITC) of Alpha Limited for the month of January

Particulars	Amount (₹)
Price payable for goods sold to Supernova India Limited	10,00,000
Add: Transportation and handling charges [Includible in value in terms of section 15(2)(b)]	2,00,000
Add: Municipal levy [Includible in value in terms of section 15(2)(a)]	12,000
Total taxable value of supply	12,12,000
Output IGST liability [₹12,12,000 x 18%] (A) [Since place of supply is Gujarat being the location of the goods at the time at which the movement of goods terminates for delivery to the recipient and location of supplier is Maharashtra, it is an inter-State supply and IGST is payable on the same.]	2,18,160
Less: ITC available as given below	
IGST paid at the time of import of goods [₹ 10,00,000 x 18%]	1,80,000
IGST paid on inter-State domestic purchases [₹ 2,00,000 x 18%]	36,000
Total IGST credit available with Alpha Limited (B)	2,16,000
Total GST liability payable (net of ITC) through GSTN portal [(A)-(B)]	2,160

2. **Option (c)** ₹ 1,58,400

Reason

Computation of gross IGST liability of Supernova India Limited for the month of January

Particulars	Amount (₹)
<u>GST payable under forward charge</u> IGST on inter-State supply of goods to X Ltd. located in Rajasthan [₹ 6,00,000 x 18%]	1,08,000
<u>GST payable under reverse charge</u> IGST on commission paid to Supernova LLC Japan (₹ 2,80,000 x 18%) Commission is ₹ 2,80,000 [20% of turnover in the month i.e. 20% of ₹ 14,00,000 (₹ 6,00,000 to X Ltd. and ₹ 8,00,000 to Y Ltd.)]	50,400
Gross IGST liability to be discharged by Supernova India Limited during the month of January (without setting off ITC)	1,58,400

3. **Option (c)** Input tax credit is not available

Reason

The place of supply for the hotel accommodation services is Mumbai, Maharashtra being the location of such hotel, in terms of section 12(3) of the IGST Act, 2017. Thus, it is an intra-State supply since the location of supplier (hotel) is also Mumbai, Maharashtra. However, the ITC of the CGST and SGST paid on said services is not available as CGST/SGST of one State cannot be utilized for discharging of CGST/SGST liability of another State.

4. **Option (b)** GST is applicable and the place of supply is Gujarat.

Reason

In the present case, event management services are being provided by an event management company located in New Delhi to Supernova India

Limited of Gujarat, i.e. the location of both supplier and recipient is in India.

As per section 12(7) of the IGST Act, 2017, the place of supply of services provided by way of organisation of a cultural, artistic, sporting, scientific, educational or entertainment event including supply of services in relation to a conference, fair, exhibition, celebration or similar events shall be the location of the recipient if the recipient is a registered person. Since Supernova India Limited is a registered person, the place of supply of event management services shall be the location of recipient i.e. Gujarat even though the event is organized in Mauritius. Resultantly, GST is applicable on such services.

2. **Option (d)** Mr. Ashok is entitled to take the ITC of inputs held in stock on 8th April, 2024.

5. **Option (d)** No input tax credit is available.

Reason

The place of supply for the hotel accommodation services is Mumbai, Maharashtra being the location of such hotel, in terms of section 12(3) of the IGST Act, 2017. Thus, it is an intra-State supply since the location of supplier (hotel) is also Mumbai, Maharashtra. However, the ITC of the CGST and SGST paid on said services is not available as CGST/SGST of one State cannot be utilized for discharging of CGST/SGST liability of another State.

Net GST liability, payable in cash, of XYZ Ltd. for the month of January = [C] + [D]	2,70,000

3. Option (c) ₹ 13,32,000

Reason

Computation of total eligible input tax credit available to XYZ Ltd. for the month of January

Reason

Computation of GST payable by Lummus Inc.

Particulars	Amount (₹)
Engineering services procured by XYZ Ltd. from Lummus Inc. through electronic mode (₹ 15,00,000 × 18%) [Tax on service supplied by a person located in a non-taxable territory to any person located in taxable territory is payable by the person receiving such service under reverse charge vide <i>Notification No. 10/2017 IT (R) dated 28.06.2017</i> . Thus, XYZ Ltd. is liable to pay tax of ₹ 2,70,000 on said services and Lummus Inc. is not required to pay tax on said services.]	Nil
Goods sent by XYZ Ltd. for carrying out repair work to Lummus Inc. ANSWERS TO MULTIPLE CHOICE QUESTIONS

1. **Option (c)** Bhakti & Sons is liable to pay CGST and SGST of ₹ 45,000 each.

Reason

Tax on services provided by any person by way of sponsorship to any body corporate or partnership firm is payable by the recipient under reverse charge under section 9(3) vide *Notification No. 13/2017 CT (R) dated 28.06.2017*. In the given case, Bhakti & Sons paid the sponsorship fee to Finmin Ltd. Thus, Finmin Ltd. has provided sponsorship services to Bhakti & Sons and tax on the same is payable by the recipient - Bhakti & Sons.

Further, it is an intra-State supply of services since place of supply is location of recipient, i.e. Kolkata in terms of section 12(2) of the IGST Act, 2017 and location of supplier - Finmin Ltd. is also Kolkata.

2. **Option (d)** E-invoicing is applicable to DTA unit and SEZ unit is exempt from e -invoicing.

Reason

SEZ units are exempt from issuing e-invoices vide *Notification No. 13/2020 CT dated 21.03.2020*. However, e-invoicing will be applicable to DTA Unit because the aggregate turnover of the legal entity in this case is >₹ 5 crore. The applicability is based on annual aggregate turnover on the common PAN.

3. **Option (a)** ₹ 2.40 lakh

Reason

Computation of total value of inward supplies on which GST is payable by Bhakti & Sons under reverse charge for December:

Particulars	Amount (₹)
Transportation charges paid to Om Logistics (unregistered GTA) [Since GTA has not charged GST, GST is payable @ 5% under reverse charge.]	2,00,000

Subject to the information given above, assume that all the other conditions necessary for availing ITC have been fulfilled and Varun Associates has not claimed depreciation on the GST paid on the purchase of the machinery.

Based on the facts of the case scenario given above, choose the most appropriate answer to Q. Nos. 1 to 5 below:

(d) 30th September, 2031
5. The amount of common credit in respect of Machinery Y is _____.
- (a) ₹ 2,02,500
(b) ₹ 2,70,000

(c) ₹ 6,30,000

(d) ₹ 4,90,500

ANSWERS TO MULTIPLE CHOICE QUESTIONS

1. Option (a) ₹ 1,80,000

Reason

In financial year 2021-22, Machinery X was purchased for ₹ 10,00,000.

Input tax credit on capital goods to be used exclusively for effecting exempt supply shall not be credited to electronic credit ledger [Rule 43(1)(a)]. However, input tax credit on capital goods to be used exclusively for effecting taxable supply including zero-rated supply, shall be credited to electronic credit ledger [Rule 43(1)(b)].

Accordingly, the amount of input tax which has been credited to electronic credit ledger during the financial year 2021-22 is ₹ 10,00,000 X 18% = ₹ 1,80,000.

2. Option (d) ₹ 2,70,000

Reason

Input tax credit on capital goods to be used exclusively for effecting exempt supply shall not be credited to electronic credit ledger [Rule 43(1)(a)]. However, input tax credit on capital goods to be used exclusively for effecting taxable supply including zero-rated supply, shall be credited to electronic credit ledger [Rule 43(1)(b)].

Accordingly, GST paid on Machinery X and Machinery Z purchased for being used in manufacturing Product A (taxable product) and C (zero-rated supply) will be credited to electronic credit ledger. However, the amount of GST paid on machinery Y (which is used for manufacturing exclusively for exempt Product B) shall not be credited to electronic credit ledger i.e. ₹ 15,00,000 x 18% = ₹ 2,70,000.

3. Option (c) ₹ 81,000**Reason**

Where any capital goods earlier used exclusively for making exempted supply is subsequently used for supply of exempted as well as taxable supply, input tax in respect of such capital goods denoted as 'A' shall be credited to the electronic credit ledger subject to the condition that the ineligible credit attributable to the period during which such capital goods were used for making exempt supply, denoted as ' T_{ie} ', shall be calculated at the rate of 5% points for every quarter or part thereof and added to the output tax liability of the tax period in which such credit is claimed [Rule 43].

Accordingly, the amount of ineligible ITC in respect of Machinery Y, i.e. ' T_{ie} ', as per rule 43, to be added to the output tax liability will be:

$$= ₹ 2,70,000 \times 5\% \times 6 \text{ quarters}$$

$$= ₹ 81,000$$

4. Option (b) 30th September, 2027**Reason**

ITC attributable to a month on common capital goods shall be computed during the useful life of the said capital goods. The useful life of any capital goods shall be considered as 5 years from the date of invoice [Rule 43].

Accordingly, the time-period up to which common credit needs to be computed for Machinery Y is 30th September 2027, being 5 years from 1st October 2022, (invoice date).

5. Option (b) ₹ 2,70,000**Reason**

Where any capital goods earlier used exclusively for making exempted supply is subsequently used for supply of exempted as well as taxable supply, input tax in respect of such capital goods denoted as 'A' shall be credited to the electronic credit ledger [Rule 43].

Accordingly, the amount of common credit in respect of Machinery Y is $₹ 15,00,000 \times 18\% = ₹ 2,70,000$.

Based on the facts of the case scenario given above, choose the most appropriate answer to Q. Nos. 1 to 3 below:

MULTIPLE CHOICE QUESTIONS

1. Whether the service provided to Veranta India (P) Ltd. is exempt under GST? If not, whether tax is payable under reverse charge?
 - (a) Yes, all services provided by an advocate firm are exempt from GST.
 - (b) No, since service is provided to a business entity that is registered under GST in the preceding financial year as per the provisions of section 22 of the CGST Act, 2017. Further, tax shall be payable by M/s Gopi Narayan & Company under forward charge.
 - (c) Yes, any service provided by an advocate firm to a business entity is exempt under GST.
 - (d) No, since service is provided to a business entity that is registered under GST in the preceding financial year as per the provisions of section 22 of the CGST Act, 2017. Further, tax shall be payable by Veranta India (P) Ltd. under reverse charge.

 - (d) ₹ 1,20,000
3. What shall be the time of supply for supplies made to Ms. Saloni in respect of original amount ₹ 1 lakh and penalty amount of ₹ 10,000? Given financial year is not a leap year.
 - (a) For whole amount of ₹ 1,10,000: 15th February

- (b) For ₹ 1 lakh: 15th February and for ₹ 10,000: 5th April
- (c) For whole amount of ₹ 1,10,000: 5th April
- (d) For ₹ 1 lakh: 15th April and for ₹ 10,000: 5th April

ANSWERS TO MULTIPLE CHOICE QUESTIONS

1. **Option (d)** No, since service is provided to a business entity that is registered under GST in the preceding financial year as per the provisions of section 22 of the CGST Act, 2017. Further, tax shall be payable by Veranta India (P) Ltd. under reverse charge.

Reason

Services are not exempt since the services are being provided to a business entity - Veranta India (P) Ltd. – which has been registered in Telangana in the preceding financial year as per the provisions of section 22. Further, tax on legal services received is payable by the recipient Veranta India (P) Ltd. under reverse charge.

2. **Option (a)** ₹ 1,10,000

Reason

As per section 15(2)(d), value of supply shall include interest or late fee or penalty for delayed payment of any consideration for any supply. Further, rule 33 provides that expenditure incurred by a supplier as a 'pure agent' on behalf of client shall be excluded from value of supply.

Accordingly, for services provided to Ms. Saloni, the value of supply shall be calculated as ₹ 1,10,000 [penalty for delayed payment of consideration shall be included in and attestation charges paid on behalf of the client shall be excluded from the value of supply].

3. **Option (c)** For whole amount of ₹ 1,10,000: 5th April

Reason

Legal services provided to Ms. Saloni are not exempt in terms of *Notification No. 12/2017 Central Tax (Rate) dated 28.06.2017* since said services are being provided to a business entity which has been registered in Maharashtra in the preceding financial year as per the provisions of

section 22 of the CGST Act, 2017. Further, tax is payable by the recipient - Ms. Saloni – under reverse charge vide *Notification No. 13/2017 CT (R) dated 28.06.2017*.

In accordance with section 13(3), time of supply in case of reverse charge is earlier of:

- (i) the date of payment as entered in the books of account of the recipient or the date on which the payment is debited in his bank account, whichever is earlier (5th April); or
- (ii) the date immediately following sixty days from the date of issue of invoice or any other document, by whatever name called, in lieu thereof by the supplier (17th April).

Thus, time of supply for ₹1 lakh is 5th April.

As per section 13(6), the time of supply to the extent it relates to an addition in the value of supply by way of interest, late fee or penalty for delayed payment of any consideration shall be the date on which the supplier receives such addition in value (₹ 10,000 in given case) i.e. 5th April.

So, time of supply for whole amount of ₹ 1,10,000 is 5th April.

Based on the facts of the case scenario given above, choose the most appropriate answer to Q. Nos. 1 to 4 below:-

MULTIPLE CHOICE QUESTIONS

1. Compute value of exempt outward supply (for the purpose of reversal of ITC) by Mr. Veera during the current financial year.
 - (a) ₹ 10,00,000
 - (b) ₹ 15,00,000
 - (c) ₹ 25,00,000
 - (d) ₹ 20,00,000
2. Which of the following statements is true?
 - (a) Mr. Veera cannot claim ITC on van purchased for delivery of goods, expenses incurred on renovation of showroom and T-shirts distributed free of cost.

 - (c) Mr. Veera can claim ITC on van purchased for delivery of goods, expenses incurred on renovation of showroom and T-shirts distributed free of cost.
 - (d) Mr. Veera can claim ITC on van purchased for delivery of goods and expenses incurred on renovation of showroom, but cannot claim ITC on T-shirts distributed free of cost.
3. Calculate the amount of input tax credit credited to electronic credit ledger of Mr. Veera (ignore individual heads of CGST/SGST/IGST).
 - (a) ₹ 24,84,360

- (b) ₹ 22,73,400
 - (c) ₹ 23,04,000
 - (d) ₹ 24,53,760
4. Compute the amount of common credit as per rules 42 and 43 of the CGST Rules, 2017.
- (a) ₹ 20,03,400
 - (b) ₹ 22,14,360
 - (c) ₹ 20,34,000
 - (d) ₹ 21,83,760

ANSWERS TO MULTIPLE CHOICE QUESTIONS

1. **Option (c)** ₹ 25,00,000

Reason

Value of exempt outward supply (for the purpose of reversal of ITC) by Mr. Veera during the current financial year is as follows:

$$= [15,00,000 \text{ (Inter-State exempt supplies)} + 10,00,000 \text{ (1\% of ₹ 10 crore)*}]$$

**As per section 17(3) read with explanation 2 to Chapter V – Input Tax Credit, for determining the value of exempt supply for the purpose of reversal of ITC, the value of security shall be taken as 1% of the sale value of such security.*

Therefore, value of exempt outward supply (for the purpose of reversal of ITC) by Mr. Veera during the current financial year is ₹ 25,00,000.

2. **Option (d)** Mr. Veera can claim ITC on van purchased for delivery of goods and expenses incurred on renovation of showroom, but cannot claim ITC on T-shirts distributed free of cost.

Reason

As per section 17(5):

- (a) ITC can be availed on motor vehicle used for transportation of goods.

- (b) ITC is blocked on goods or services or both received by a taxable person for construction of an immovable property (other than plant or machinery) on his own account. Here, construction, *inter alia*, includes renovation or repair to the extent of capitalization to the said immovable property. Since Mr. Veera has debited all renovation expenses under repair and maintenance, ITC on same shall be available.
- (c) ITC is blocked on goods lost, stolen, destroyed, written off or disposed of by way of gift or free samples.

Accordingly, Mr. Veera can claim ITC on van purchased for delivery of goods and expenses incurred on renovation of showroom, but cannot claim ITC on T-shirts distributed free of cost.

3. Option (a) ₹ 24,84,360

Reason

Computation of ITC credited to electronic credit ledger of Mr. Veera

Particulars	Amount (₹)
Inward supplies:	
Inter-State	1,00,30,000
Intra-State	46,00,000
Pick up van	1,70,000
Renovation of showroom (3,60,000 + 80,000 + 4,00,000 + 1,62,000)	10,02,000
T-shirts	1,80,000
Total inward supplies	1,59,82,000
Total GST paid on inward supplies (₹ 1,59,82,000 x 18%)	28,76,760
Less: ITC on inward supplies exclusively used for exempt supplies (₹ 20,00,000 x 18%)	(3,60,000)

Less: ITC blocked under section 17(5) (₹ 1,80,000 x 18%) -ITC on T - shirts is blocked as ITC is blocked on free samples.	(32,400)
ITC credited to electronic credit ledger of Mr. Veera	24,84,360

So, the amount of input tax credit credited to electronic credit ledger of Mr. Veera is ₹ 24,84,360.

4. Option (b) ₹ 22,14,360

Reason

Computation of the amount of common credit as per rules 42 and 43:

Particulars	Amount (₹)
Amount credited to electronic credit ledger (as per MCQ 3 working above)	24,84,360
Less: Amount exclusively used for taxable supplies (₹ 15,00,000 x 18%)	(2,70,000)
Common credit	<u>22,14,360</u>

CASE SCENARIO 10

Mr. Venkat, a practicing Chartered Accountant, based in Hyderabad, is registered under GST in the State of Telangana.

He undertook following transactions/activities during the current financial year:

- (1) He provided consultancy services to Kuick Tours, a UK based entity engaged in the business of e-commerce in the field of tour and travels, having its office at UK. Kuick Tours paid a sum of Euro 95,000 to Mr. Venkat billed @ ₹ 75 per Euro. Mr. Venkat made travel to UK several times during the year and incurred Euro 5,000 @ ₹ 75 as incidental expenses (including VAT paid ₹ 10,000) which was ultimately charged from Kuick Tours. Kuick Tours also paid a sum of EURO 5,000 @ ₹ 75 to Mr. Venkat as interest on account of delay in payment of agreed consideration.

- (2) Mr. Venkat's taxable earnings for services provided in India for the financial year are ₹ 85,00,000. In addition to this, Mr. Venkat also provided return filing services free of charge in the month of July to Indian residents who were economically weaker. Open market value of such services was ₹ 1,40,000.

Further, in July, Mr. Venkat also provided financial services to his real brother Mr. Kamath who is working at an IT company and earning handsomely, for ₹ 75,000 (invoice raised at open market value). However, Mr. Venkat offered him 90% discount on the invoice raised to him. Therefore, Mr. Kamath paid ₹ 7,500 only.

- (3) Dumdum Electricals Ltd., registered under GST in Guwahati, Assam approached Mr. Venkat to impart GST training to its accounts and finance personnel. Mr. Venkat imparted the said training to 50 employees of Dumdum Electricals Ltd. at a conference room of Swaraj Hotel located in Siliguri, West Bengal on 25th August.

Notes: The rates of tax are 9% (CGST), 9% (SGST) and 18% (IGST) on all inward/ outward supplies. All the amounts given above are exclusive of taxes, wherever applicable.

Based on the facts of the case scenario given above, choose the most appropriate answer to Q. Nos. 1 to 4 below:-

MULTIPLE CHOICE QUESTIONS

1. Compute the value of supply made by Mr. Venkat to Kuick Tour (in Euros).
 - (a) 1,20,000
 - (b) 1,05,000
 - (c) 1,15,000
 - (d) 1,25,000
2. Compute aggregate turnover of Mr. Venkat for the current financial year.
 - (a) ₹ 1,78,75,000
 - (b) ₹ 1,86,25,000
 - (c) ₹ 1,63,82,500
 - (d) ₹ 1,80,90,000
3. What is value of supply made by Mr. Venkat to Mr. Kamath if Mr. Kamath is the son of Mr. Venkat and not his brother and supply is made free of cost, other facts remaining the same?
 - (a) ₹ 7,500
 - (b) ₹ 75,000
 - (c) Not a supply since they are related
 - (d) Value cannot be determined
4. The place of supply of the GST training imparted by Mr. Venkat to the accounts and finance personnel of Dumdum Electricals Ltd. is _____.
 - (a) Hyderabad, Telangana
 - (b) Guwahati, Assam

- (c) Siliguri, West Bengal
- (d) Either (a) or (b), at the option of Mr. Venkat

ANSWERS TO MULTIPLE CHOICE QUESTIONS

1. Option (b) 1,05,000

Reason

Computation of value of supply made by Mr. Venkat to Kuick Tour (in Euros)

Particulars	Euros
Amount charged for consultancy services	95,000
Add: Incidental expenses [Incidental expenses charged by the supplier to the recipient of a supply are includible in the value of supply in terms of section 15(2)(c)]	5,000
Add: Interest on account of delay in payment of consideration [Interest or late fee or penalty for delayed payment of any consideration for any supply are includible in the value of supply in terms of section 15(2)(d)]	5,000
Value of supply	1,05,000

2. Option (c) ₹ 1,63,82,500

Reason

Computation of aggregate turnover:

Particulars	₹
Services to Kuick (Euros 105,000 × ₹ 75)	78,75,000
Taxable services provided in India	85,00,000
Free of charge return filing services (It is not a supply in terms of section 7 since services have been provided to unrelated persons without consideration.)	-
Financial services provided to brother - Mr. Kamath	7,500

[Since Mr. Kamath - brother of Mr. Venkat - is not wholly or mainly dependent on Mr. Venkat, they cannot be considered as related person not being the members of the same family, in terms of explanation of section 15 and section 2(49). Therefore, the value of supply of financial services to brother will be price actually paid or payable.]	
Aggregate turnover	1,63,82,500

3. Option (b) ₹ 75,000

Reason

If Mr. Kamath is the son of Mr. Venkat and not his brother and supply is made free of cost, other facts remaining the same, Mr. Venkat and Mr. Kamath are related in terms of explanation of section 15 read with section 2(49) and value of such supply will be determined in terms of rule 28.

In that case, price actually paid will not be the value of supply. Instead, the value of supply made by Mr. Venkat to Mr. Kamath will be the open market value = ₹ 75,000 (in terms of rule 28).

4. Option (b) Guwahati, Assam

Reason

CASE SCENARIO 11

Jaskaran, a registered supplier of Delhi, is engaged in supplying a bouquet of taxable goods and services. He has made the following supplies in the month of January:

S. No.	Particulars	Amount* (₹)
(i)	Supply of 20,000 packages at ₹ 30 each to Sukhija Gift Shop in Punjab [Each package consists of 2 chocolates, 2 fruit juice bottles and a packet of toy balloons]	6,00,000
(ii)	500 packages each consisting of 1 chocolate and 1 fruit juice bottle given as free gift to Delhi customers on the occasion of Lohri [Cost of each package is ₹ 12, but the open market value of such package of goods and of goods of like kind and quality is not available. Input tax credit has not been taken on the items contained in the package]	
(iii)	Catering services provided to elder brother free of cost for his business function in Delhi [Cost of providing said services is ₹ 55,000, but the open market value of such services and of services of like kind and quality is not available.]	

*excluding GST

Following additional information has been furnished by Jaskaran:

1. Penalty of ₹ 10,000 was collected in lumpsum in the month of March from Sukhija Gift Shop since the payment was received with a delay of 60 days.
2. One of the old customers of Jaskaran – Mr. Bahubali of Delhi- approached him requesting him to arrange the transportation of the goods purchased by him from a local supplier. Jaskaran arranged the transportation of said goods for Mr. Bahubali through a truck owned by him for local transport of goods. Jaskaran did not issue a consignment note to Mr. Bahubali.

3. Assume the rates of GST to be as under:

Goods/services supplied	CGST	SGST	IGST
Chocolates	9%	9%	18%
Fruit juice bottles	6%	6%	12%
Toy balloons	2.5%	2.5%	5%
Catering service	9%	9%	18%

Based on the facts of the case scenario given above, choose the most appropriate answer to Q. Nos. 1 to 4 below:-

MULTIPLE CHOICE QUESTIONS

- GST payable on packages supplied to Sukhija Gift Shop in January and in March is (1) _____ and (2) _____ respectively.
 - (1) IGST - ₹ 1,09,526; (2) nil
 - (1) CGST - ₹ 54,763; SGST - ₹ 54,763; (2) nil
 - (1) IGST - ₹ 1,08,000; (2) IGST - ₹ 1,526
 - (1) CGST - ₹ 54,000; SGST - ₹ 54,000; (2) CGST - ₹ 763; SGST - ₹ 763
- GST on services of transportation of goods provided by Jaskaran to Mr. Bahubali:
 - is payable by Mr. Bahubali @ 5%.
 - is payable by Jaskaran @ 12%.
 - is payable by Mr. Bahubali @ 12%.
 - is not payable at all.
- Supply of 500 packages given as free gift to Delhi customers on the occasion of Lohri is _____.
 - a mixed supply
 - not a supply under the GST law
 - a composite supply
 - a separate supply of chocolate and fruit juice bottle

4. For the purposes of GST law, value of supply of catering services provided by Jaskaran to his elder brother free of cost for his business function in Delhi is _____.
- (a) ₹ 60,500
 - (b) ₹ 55,000
 - (c) ₹ 60,500 or ₹ 55,000, whichever is lower
 - (d) nil as catering services provided by Jaskaran to his elder brother is not a supply.

ANSWERS TO MULTIPLE CHOICE QUESTIONS

1. **Option (c)** (1) IGST - ₹ 1,08,000; (2) IGST - ₹ 1,526

Reason

It is an inter-State supply since place of supply is the location of the goods at the time at which the movement of goods terminates for delivery to the recipient, i.e. Punjab and location of supplier is Delhi.

Further, as per section 12(6), the time of supply to the extent it relates to an addition in the value of supply by way of interest, late fee or penalty for delayed payment of any consideration shall be the date on which the supplier receives such addition in value. Therefore, GST on penalty collected in March would be payable in March.

GST on original consideration [taxable at the highest rate of tax of 18% being a mixed supply, in terms of section 2(74) read with section 8(b)] would be payable in January.

GST payable in January

$$= ₹ 6,00,000 \times 18\% = ₹ 1,08,000$$

GST payable in March

$$= ₹ 10,000 \times 18/118 = ₹ 1,526 \text{ [Since the penalty has been received in lumpsum, it is inclusive of GST. Further, it will be taxed at the same rate of tax as the original supply.]}$$

2. **Option (d)** is not payable at all.

Reason

Services by way of transportation of goods by road except the services of a goods transportation agency and a courier agency are exempt from GST vide Entry 18 of *Notification No. 12/2017 Central Tax (Rate) dated 28.06.2017*. Since Jaskaran did not issue a consignment note to Mr. Bahubali, it is not a Goods Transport Agency and services provided by Jaskaran to Bahubali are exempt from GST.

3. **Option (b)** not a supply under the GST law

Reason

Supply of 500 packages given as free gift to Delhi customers on the occasion of Lohri is not a supply in terms of section 7 since supply of goods has been made to unrelated persons (customers not being related persons) without consideration.

4. **Option (d)** nil as catering services provided by Jaskaran to his elder brother is not a supply.

Reason

Catering services provided to elder brother free of cost for his business function in Delhi is not a supply in terms of section 7 since supply of goods has been made to unrelated person (elder brother not being wholly dependent on Jaskaran is not a related person) without consideration.

 - (a) No; since the value of contract is not less than ₹ 2,50,000.
 - (b) Yes; since the value of contract is more than ₹ 2,50,000.
 - (c) Yes; since TDS is mandatorily to be deducted for any supplies made to a local authority irrespective of the value of supply.
 - (d) No; since it is an exempt supply.

ANSWERS TO MULTIPLE CHOICE QUESTIONS

1. **Option (a)** ₹ 35,00,000

Reason

Computation of the value of outward supplies made by STAL which are exempt from GST

S. No.	Particulars	Amount* (₹)
(i)	Supply of transportation services to farmers in Rajasthan for transportation of agricultural produce	2,00,000

	[Exempt in terms of Entry 21(a) of <i>Notification No. 12/2017 Central Tax (Rate) dated 28.06.2017</i>]	
(ii)	Buses given on rent to ABC Travels [Exempt in terms of Entry 22 of <i>Notification No. 12/2017 Central Tax (Rate) dated 28.06.2017</i>]	5,00,000
(iii)	Supply of services by way of transportation of relief material to flood affected victims [Exempt in terms of Entry 21(g) of <i>Notification No. 12/2017 Central Tax (Rate) dated 28.06.2017</i>]	2,50,000
(iv)	Supply of transportation of defence equipment to a military camp [Exempt in terms of Entry 21(h) of <i>Notification No. 12/2017 Central Tax (Rate) dated 28.06.2017</i>]	5,50,000
(v)	Supply of petrol [It is a not a taxable supply in terms of charging section 9 of the CGST Act, 2017. Exempt supply includes non taxable supply.]	20,00,000
	Value of exempt outward supplies	35,00,000

2. Option (b) Bhubaneshwar, Orissa

Reason

As per section 12(8) of the IGST Act, 2017, the place of supply of services by way of transportation of goods, including by mail or courier, etc. provided to a registered person, is the location of such registered person.

However, where such services are provided to an unregistered person, the place of supply is the location at which such goods are handed over for their transportation.

Accordingly, in the given case, the place of supply of the services of transportation of household goods of Mr. Champak provided by STAL to Manimani Bank, registered in Bhubaneshwar, Orissa is Bhubaneshwar, Orissa.

3. Option (b) ₹ 39,50,000

Reason

Computation of the aggregate turnover of STAL for the current financial year

S. No.	Particulars	Amount* (₹)
(i)	Value of exempt outward supplies [Computed in MCQ 1] [Aggregate turnover includes exempt outward supplies.]	35,00,000
(ii)	Transportation of the household goods of Mr. Champak from Kanpur to Bhopal [Includible in aggregate turnover since it is a taxable supply]	1,50,000
(iii)	Service of transportation of goods to a co-operative society [Includible in aggregate turnover since it is a taxable supply]	3,00,000
	Aggregate turnover	39,50,000

4. Option (b) Wednesday-Thursday at 12.00 midnight

Reason

As per rule 138(10), the validity of e-way bill depends on the distance to be travelled by the goods. For a distance of upto 200 km, the e-way bill will be valid for a day from the relevant date. For every 200 km thereafter, the validity will be additional one day from the relevant date. Since STAL generated e-way bill on Monday at 12:04 am and the goods were to be transported for a distance of 220 km, the e-way bill shall be valid for 2 days and the period of validity shall be till Wednesday-Thursday at 12.00 midnight.

5. **Option (d)** No; since it is an exempt supply.

Reason

As per section 51, the local authority shall deduct tax @ 1% (each under CGST and SGST) from the payment made or credited to the supplier of taxable goods or services or both, where the total value of such supply, under a contract, exceeds ₹ 2,50,000. However, transportation of relief materials provided to local authority is an exempt service as per Entry 21(g) of *Notification No. 12/2017 Central Tax (Rate) dated 28.06.2017*. Therefore, no TDS is deductible since it is an exempt supply.

CASE SCENARIO 13

M/s Harimukund Hardwares, a partnership firm registered under GST in the State of Uttar Pradesh, is engaged in the supply of door and window fittings across India. In the month of October, it made following outward supplies:

The applicable tax rates of GST on supply of above goods is 18% IGST, 9% CGST and 9% SGST. Goods are generally received by parties in Punjab, Haryana & Rajasthan on 2nd day from the date of removal whereas it takes 5 days to reach Karnataka.

M/s Harimukund Hardwares gives 2% cash discount to its customers wherever the payment is received in advance or within 15 days of the date of removal of goods and the respective credit note is also issued immediately. The buyer also takes the necessary legal action (required under GST law) with respect to such credit note immediately.

To supply such goods, as aforesaid, it received services from a local GTA, namely, M/s Khatushyam Transporters (unregistered), who raised a consolidated invoice for ₹ 1,00,000 on 22nd October for which payment was made on 27th December along with payment for the month of November.

Applicable tax rate on services of transportation of goods is CGST @ 2.5% and SGST @ 2.5%.

Based on the facts of the case scenario given above, choose the most appropriate answer to Q. Nos. 1 to 5 below:-

- (c) IGST = ₹ 2,75,058, CGST = Nil, SGST = Nil
- (d) IGST = ₹ 2,75,058, CGST = ₹ 2,500, SGST = ₹ 2,500
5. The total value of all the supplies involved in the above case scenario on which M/s Harimukund Hardwares is liable to pay tax is _____.
- (a) ₹ 16,28,100
- (b) ₹ 16,39,100
- (c) ₹ 15,45,000
- (d) ₹ 15,39,600

ANSWERS TO MULTIPLE CHOICE QUESTIONS

1. Option (b) 10th October

Reason

As per section 12(2) read with *Notification No. 66/2017 CT dated 15.11.2017*, time of supply of goods is the date of issue of invoice or the last date when the invoice ought to have been issued under section 31. Further, as per section 31, invoice for supply of goods, where the supply involves movement of goods, shall be issued before or at the time of removal of goods.

In the given case, since the invoice has been issued to M/s Charanjot Hardwares & Fitters on 12th October while the date of removal of goods was 10th October, the last date when the invoice ought to have been issued is 10th October.

Therefore, the time of supply will also be 10th October.

2. Option (a) 17th October

Reason

As per section 12(2) read with *Notification No. 66/2017 CT dated 15.11.2017*, time of supply of goods is the date of issue of invoice or the last date when the invoice ought to have been issued under section 31. Further, as per section 31, invoice for supply of goods, where the supply involves movement of goods, shall be issued before or at the time of removal of goods.

Thus, no tax is payable at the time of receipt of advance in respect of supply of goods.

In the given case, since the invoice was issued to M/s Rana Singh Ji Hardware Products on 17th October and the date of removal of goods was 20th October, the time of supply will also be 17th October.

3. **Option (d)** 22nd December

Reason

Tax on services from a local GTA namely, M/s Khatushyam Transporters (unregistered), is payable under reverse charge. As per section 13(3), the time of supply for such service will be the earlier of the following:

- Date of payment (27th December), or
- Date immediately following 60 days from the date of issue of invoice (or any other document in lieu of invoice) by the supplier (22nd December).

Thus, time of supply is 22nd December.

4. **Option (c)** IGST = ₹ 2,75,058, CGST = Nil, SGST = Nil

Reason:

Computation of gross tax liability attributable to outward supplies of M/s Harimukund Hardwares for the month of October

Particulars	(₹)
Taxable value of supply to M/s Nand Kishore Traders (Haryana) [₹ 5,75,000 - (2% of ₹ 5,75,000)] [Discount @ 2% is given since payment is made within 15 days of the date of removal of goods. Further, it is deductible while computing the value of supply in terms of section 15(3)(b).]	5,63,500
Taxable value of supply to M/s Charanjot Hardwares & Fitters (Punjab). [Discount is not given since payment is made after 15 days of the date of removal of goods.]	3,25,000

Taxable value of supply to M/s Rana Singh Ji Hardware Products (Rajasthan) net of discount @ 2% [₹ 2,70,000 - 2% of ₹ 2,70,000] [Discount @ 2% is given since payment is made before removal of goods. Further, it is deductible while computing the value of supply in terms of section 15(3)(b).]	2,64,600
Taxable value of supply to M/s Annapurai Hardwares (Karnataka) [Discount is not given since payment is made after 15 days of the date of removal of goods.]	3,75,000
Total taxable value of outward supply	15,28,100
IGST payable @ 18% [Since place of supply of all the supplies is outside the State of Uttar Pradesh, IGST would be payable on the supplies.]	2,75,058

5. **Option (a)** ₹ 16,28,100

Reason:

Computation of total value of all the supplies (inward as well as outward) on which M/s Harimukund Hardwares is liable to pay tax

Particulars	(₹)
Total taxable value of outward supply [As computed in MCQ 4 above]	15,28,100
Value of inward supply from GTA namely, M/s Khatushyam Transporters (unregistered), on which tax is payable under reverse charge.	1,00,000

ANSWERS TO MULTIPLE CHOICE QUESTIONS

1. **Option (b)** The service is chargeable to tax and ABC Pvt. Ltd. will discharge the tax liability.

Reason

Services by way of transportation of goods by road are exempt except the services of GTA and courier agency vide Entry 18 of *Notification No. 12/2017 Central Tax (Rate) dated 28.06.2017*. Thus, services provided by M/s Ram Enterprises are liable to GST. Further, since M/s ABC Private Limited is a body corporate, it has to pay GST under reverse charge on GTA services received from M/s Ram Enterprises under section 9(3) vide *Notification No. 13/2017 CT (R) dated 28.06.2017*.

2. **Option (a)** Yes. However, it could have provided services up to a value of ₹ 11,12,500 under composition levy during the current financial year.

Reason

A registered person, whose aggregate turnover in the preceding financial year does not exceed ₹ 1.5 crore, may opt to pay tax under composition levy, under section 10(1) and 10(2). The scheme can be availed by an intra-State supplier of goods and supplier of restaurant service. However, the composition scheme permits supply of marginal services (other than restaurant services) for a specified value along with the supply of goods and restaurant service, as the case may be.

Explanation 1 to section 10 provides that for the purposes of computing aggregate turnover of a person for determining his eligibility to pay tax under composition scheme, the expression "aggregate turnover" shall not include the value of exempt supply of services provided by way of extending deposits, loans or advances in so far as the consideration is represented by way of interest or discount.

Accordingly, the aggregate turnover of M/s ABC Private Limited in the preceding financial year (F.Y.-2) is ₹ 1,11,25,000 [₹ 1,02,00,000 + ₹ 9,25,000]. Thus, M/s ABC Private Limited can opt for composition scheme for the current financial year (F.Y.-3) as its aggregate turnover is less than ₹ 1.5 crore in the preceding financial year and it is not engaged in

inter-State outward supplies.

The registered person opting for composition scheme, under section 10(1) and 10(2), can also supply services (other than restaurant services) for a value up to 10% of the turnover in the preceding year or ₹ 5 lakh, whichever is higher, in the current financial year.

Thus, M/s ABC Private Limited can supply repair and maintenance services up to a value of ₹ 11,12,500 [10% of ₹ 1,11,25,000 or ₹ 5 lakh, whichever is higher] in the current financial year.

3. Option (c) ₹ 13,626

Reason

Assuming ABC Pvt. Ltd. has opted for the composition scheme under sub-sections (1) and (2) of section 10 at the beginning of the current financial year (F.Y.-3), the total GST liability (CGST + SGST) of ABC Pvt. Ltd. in the State of Uttar Pradesh for April-June quarter is as under:

Particulars	Value of supply (₹)	GST (₹)
Amount payable under composition scheme @ 1% of turnover from supply of goods	10,20,000	10,200
Amount payable under composition scheme @ 1% of turnover from supply of services	92,550	926
GST on services received from M/s Ram Enterprises payable under reverse charge @ 5%	50,000	2,500
Total		13,626

Note – No ITC is available to a composition supplier.

4. Option (c) ii

Reason

As per Entry No 1 of *Notification No 12/2017 Central Tax (Rate) dated 28th June 2017*, services by an entity registered under section 12AA or 12AB of the Income-tax Act, 1961 by way of charitable activities are exempt from GST. Further, the term 'charitable activities' has been specifically defined

in said notification. Thus, only those services provided by an entity registered under section 12AA or 12AB of the Income-tax Act, 1961 which are covered within the definition of the term 'charitable activities' qualify for exemption under said entry and not all services provided by an entity registered under section 12AA or 12AB of the Income-tax Act, 1961.

- 5. Option (a)** POS for transaction between M/s Abhijaat Enterprises and M/s Akash Enterprises is the location of principal place of business of M/s Abhijaat Enterprises, i.e. Gujarat and IGST is leviable on such supply. POS for transaction between M/s Abhijaat Enterprises and ABC Pvt. Ltd. is the location at which the movement of goods terminates i.e. at the place of business of ABC Pvt. Ltd., i.e. Lucknow, Uttar Pradesh and IGST is leviable on such supply.

Reason

The supply between M/s Abhijaat Enterprises (Gujarat) and M/s Aakash Enterprises (Uttar Pradesh) is a bill to ship to supply where the goods are delivered by the supplier [M/s Aakash Enterprises] to a recipient [ABC Pvt. Ltd. (Lucknow, Uttar Pradesh)] on the direction of a third person [M/s Abhijaat Enterprises].

In case of such supply, it is deemed that the said third person has received the goods and the place of supply of such goods is the principal place of business of such third person [Section 10(1)(b)]. Thus, the place of supply between M/s Abhijaat Enterprises (Gujarat) and M/s Aakash Enterprises (Uttar Pradesh) will be location of third person (M/s Abhijaat Enterprises), i.e. Gujarat. Thus, it is an inter-State supply and IGST is payable on the same.

This situation involves another supply between ABC Pvt. Ltd. (Uttar Pradesh) and M/s Abhijaat Enterprises (Gujarat). In this case, since the supply involves movement of goods, place of supply will be the location of the goods at the time at which the movement of goods terminates for delivery to the recipient - ABC Pvt. Ltd., i.e. Lucknow, Uttar Pradesh [Section 10(1)(a)]. Thus, it is an inter-State supply and IGST is payable on the same.

ANSWERS TO MULTIPLE CHOICE QUESTIONS

1. **Option (b)** No, M/s Gajanan Enterprises is not required to take registration under GST as its aggregate turnover is below the threshold limit for registration. However, it is required to obtain a unique enrolment number under GST.

Reason

Since the aggregate turnover of M/s Gajanan Enterprises in the current financial year till date is ₹ 18,25,000, it is not required to obtain registration under GST as its aggregate turnover is below the threshold limit for registration. However, it is required to obtain a unique enrolment number under GST in terms of rule 58(1). Rule 58(1) provides that every person required to maintain records and accounts in accordance with the provisions of section 35(2), if not already registered under GST law, shall submit the details regarding his business electronically on the common portal in prescribed form, and upon validation of the details furnished, a unique enrolment number shall be generated and communicated to the said person.

2. **Option (d)** M/s Speedofast Enterprises is eligible for obtaining the CEN as it is registered in multiple States with same PAN. After obtaining CEN, it can use it for generating e-way bills and updating Part-B throughout the country.

Reason

Rule 58(1A) provides that for the purposes of generating e-way bills, a transporter who is registered in more than one State or Union Territory having the same Permanent Account Number, he may apply for a unique common enrolment number by submitting the details in prescribed form

using any one of his GSTINs, and upon validation of the details furnished, a unique common enrolment number (CEN) shall be generated and communicated to the said transporter. However, where the said transporter has obtained a CEN, he shall not be eligible to use any of the GSTINs for the purposes of generating e-way bills.

3. **Option (c)** Yes, e-way bill is required to be generated mandatorily in case of inter-State transfer of goods by principal to job worker irrespective of value of consignment.

Reason

GQF Private Limited is required to generate e-way bill in case of transfer of goods to M/s Jamuna Enterprises since e-way bill is required to be generated mandatorily in case of inter-State transfer of goods by principal to job worker irrespective of value of consignment. Third proviso to rule 138(1) provides that where goods are sent by a principal located in one State or Union Territory to a job worker located in any other State or Union Territory, the e-way bill shall be generated either by the principal or the job worker, if registered, irrespective of the value of the consignment.

4. **Option (b)** Yes, M/s Speedofast Enterprises can generate a consolidated e-way bill containing the details of different EWBs even if all the EWBs have different validity periods and it is transporting consignments of different consignees in a single conveyance.

Reason

Rule 138(6) provides that after e-way bill has been generated in accordance with the provisions of rule 138(1), where multiple consignments are intended to be transported in one conveyance, the transporter may indicate the serial number of e-way bills generated in respect of each such consignment electronically on the common portal and a consolidated e-way bill in Form GST EWB-02 may be generated by him on the said common portal prior to the movement of goods. Accordingly, M/s Speedofast Enterprises can generate a consolidated e-way bill containing the details of different EWBs even if all the EWBs have different validity periods and it is transporting consignments of different consignees in a single conveyance.

(d) 1) 5th July, 2) 20th July & 3) 23rd July

ANSWERS TO MULTIPLE CHOICE QUESTIONS

1. **Option (d)** CGST = Nil; SGST = Nil & IGST = Nil

Reason

As per section 17(5), ITC in respect of motor vehicles for transportation of persons with seating capacity ≤ 13 persons (including the driver) is blocked.

However, ITC is available when motor vehicles are used for any of the following eligible purposes -

- making further taxable supply of such motor vehicles
- making taxable supply of transportation of passengers
- making taxable supply of imparting training on driving such motor vehicles

Since GTL is engaged in providing transportation of passenger services, ITC of motor vehicle (omnibus) with seating capacity (including driver) of 8 persons, 9 persons, 11 persons and 13 persons is available. The eligible ITC is as follows:

Seating capacity (including driver)	No. of vehicles	Purchase price (per vehicle) ₹	CGST @ 9% ₹	SGST @ 9% ₹	IGST @ 18% ₹
8 persons	4	10,00,000	3,60,000	3,60,000	-

Total eligible credit			9,36,000	9,36,000	2,70,000
Blocked credit			Nil	Nil	Nil

2. Option (b) CGST = Nil; SGST = Nil & IGST = ₹ 58,000

Reason

Amount of GST payable through electronic cash ledger by GTL on the services supplied by it through POKO Ltd. in July is as follows:

Particulars	CGST (₹)	SGST (₹)	IGST (₹)
Output tax	9,00,000	9,00,000	4,00,000
Eligible ITC (as calculated in solution to MCQ 1 above)	(9,00,000)	(9,00,000)	(2,70,000)
	-	-	(36,000)
[ITC of IGST has been utilized pay IGST liability and ITC of CGST and SGST have been utilized to pay CGST and SGST liability first and then to pay IGST liability.]	-	-	(36,000)
GST payable in cash	-	-	58,000

3. Option (a) A) ₹ 65,000; B) ₹ 62,500 and C) ₹ 70,000

Reason

As per section 52 read with section 20 of the IGST Act, 2017, the electronic commerce operator (ECO) should collect TCS @ 0.5% (0.25% CGST, 0.25% SGST and 0.5% IGST) on the net value of taxable supplies made through it. However, the said 'net value' excludes services notified under section 9(5) or section 5(5) of the IGST Act, 2017.

Since the services of transportation of passengers through omnibus are being supplied through electronic commerce operator by a company (GTL), said services do not qualify as services notified under section 9(5) or section 5(5) of the IGST Act, 2017. Consequently, TCS @ 0.5% (IGST or CGST +SGST) is required to be collected by GTL on said supplies.

Thus, the amount of TCS to be collected is as follows:

Month	July (₹)	August(₹)	September(₹)
Value of taxable supplies	1,30,00,000	1,25,00,000	1,40,00,000
TCS @ 0.5%	65,000	62,500	70,000

4. Option (a) 1) Bangalore, 2) Hyderabad & 3) Hyderabad**Reason**

As per section 12(9) of the IGST Act 2017, the place of supply of passenger transportation service to:

- (a) a registered person, shall be the location of such person
- (b) a person other than a registered person, shall be the place where the passenger embarks on the conveyance for a continuous journey.

In accordance with the aforesaid provisions, place of supply will be as follows:

Order No	Starting city	Ending city	Residence	Status of customer	Place of supply
CA-435	Bangalore	Chennai	Chennai	Unregistered	Bangalore
PH-534	Chennai	Bangalore	Hyderabad	Registered	Hyderabad
GK-987	Hyderabad	Bangalore	Delhi	Unregistered	Hyderabad

5. Option (c) 1) 3rd July, 2) 20th July & 3) 23rd July**Reason**

As per section 13(2), in case where the tax is liable to be paid under forward charge mechanism, the time of supply of services shall be the earliest of the following dates, namely:-

- (a) the date of issue of invoice by the supplier, if the invoice is issued within 30 days of provision of service or the date of receipt of payment, whichever is earlier; or
- (b) the date of provision of service, if the invoice is not issued within 30 days of provision of service or the date of receipt of payment, whichever is earlier; or
- (c) the date on which the recipient shows the receipt of services in his books of account, in a case where the provisions of clause (a) or clause (b) do not apply.

In the given case, invoice is issued on the date of travel immediately after completion of journey (i.e. within 30 days of provision of service) & GTL is also liable to pay tax under forward charge mechanism for the given bookings/orders.

In accordance with the aforesaid provisions, the time of supply will be as follows.

Order No	Date of travel	Date of payment	Time of supply
CA-234	5 th July	3 rd July	3 rd July
UV-777	22 nd July	20 th July	20 th July
XE-001	25 th July	23 rd July	23 rd July

ANSWERS TO MULTIPLE CHOICE QUESTIONS

1. **Option (a)** ₹ 1,76,800

Reason

Computation of net GST payable in cash (after setting off TDS credit if any) by Dhairya Ltd. during the period from April to February

Particulars	₹
Tax on goods sold to AMC ₹ 2,40,000 × 12%	28,800
Tax on goods sold to Fishing Department of Gujarat Government ₹ 10,00,000 × 12%	1,20,000
Other sales as mentioned in Point No. 8 ₹ 15,00,000 × 12%	1,80,000
Total GST payable under regular scheme (A)	3,28,800

Less:	
Credit available on input (Note 4)	20,000
Credit available on semi-finished goods (Note 4)	10,000
Credit available on machinery (Note 4)	
(₹ 10,00,000 × 12% less ₹ 10,00,000 × 12% × 5% × 2 quarters)	1,08,000
Credit available on purchase as mentioned in point 8 [₹ 12,00,000 × 12%]	1,44,000
TDS deducted by Fishing Department of Gujarat Government (Note 2 and Note 3)	20,000
Total ITC (B)	3,02,000
Tax on sales from April to June-payable in cash only as ITC cannot be utilised against amount payable under the composition scheme ₹ 1,50,00,000 × 1% (Note 1) (C)	1,50,000
Net GST payable in cash = (A) – (B) + (C)	1,76,800

Note:

1. From April to June, Dhairya Ltd. was registered under section 10, i.e. under the composition scheme. Under the composition scheme, rate of GST applicable for manufacturers is 1%.
2. In respect of goods supplied to the Ahmedabad Municipal Corporation, AMC is not liable to deduct tax under section 51 since the value of taxable supply under the contract does not exceed ₹ 2,50,000.
3. In respect of goods supplied to the Fishing Department of Gujarat Government, Fishing Department is liable to deduct tax under section 51 @ 2% on taxable value of supply.
4. As per section 18(1)(c), where any registered person ceases to pay tax under composition scheme, he shall be entitled to take credit of input tax in respect of inputs held in stock, inputs contained in semi-finished or finished goods held in stock and on capital goods on the day immediately preceding the date from which he becomes liable to pay tax under section 9.

However, the credit on capital goods shall be reduced by 5% points for every quarter or part thereof [Rule 43].

2. Option (b) ₹ 2,82,000

Reason

Calculation of available ITC from April to February

Particulars	Amount (₹)
Credit available on input (Note)	20,000
Credit available on semi-finished goods (Note)	10,000
Credit available on machinery (Note)	
(₹ 10,00,000 × 12% less ₹ 10,00,000 × 12% × 5% × 2 quarters)	1,08,000
Credit available on purchase as mentioned in point 8 [₹ 12,00,000 × 12%]	1,44,000
Total ITC available	2,82,000

Note: As per section 18(1)(c), where any registered person ceases to pay tax under composition scheme, he shall be entitled to take credit of input tax in respect of inputs held in stock, inputs contained in semi-finished or finished goods held in stock and on capital goods on the day immediately preceding the date from which he becomes liable to pay tax under section 9.

However, the credit on capital goods shall be reduced by 5% points for every quarter or part thereof [Rule 43].

3. Option (c) ₹ 31,000

Reason:

Calculation of refund

As per rule 89(4), the refund amount is as follows:

= (Turnover of zero-rated supply of goods + Turnover of zero-rated supply of services) × Net ITC ÷ Adjusted Total Turnover

$$= ₹ 55,000 \times \frac{(1,500 \text{ meters} \times ₹ 200)}{(2,500 \text{ meters} \times ₹ 200)} = ₹ 33,000$$

Maximum refund available will be least of:

- (a) The maximum refund amount as per the above formula specified in rule 89(4) [formula is applied on the consolidated amount of ITC, i.e. Central tax + State tax/Union Territory tax + Integrated tax]
- (b) The balance in the electronic credit ledger of the applicant at the end of the tax period for which the refund claim is being filed after the return in Form GSTR-3B for the said period has been filed.

Particulars	₹
Tax on export sales	Nil
Tax on indigenous sales as mentioned in Point No. 9 [₹ 1,000 meters × ₹ 200 × 12%]	24,000
Less:	
Credit available on purchases	55,000
Balance in electronic credit ledger	31,000

- (c) The balance in the electronic credit ledger of the applicant at the time of filing the refund application.

Thus, the amount of refund available is ₹ 31,000.

4. Option (d) nil

Reason:

Particulars	₹
Tax on goods sold to AMC [₹ 2,40,000 × 12%]	28,800
Tax on goods sold to the Fishing Department [₹ 1,00,000 × 12%]	12,000
Other sales as mentioned in Pont No. 8 [₹15,00,000 × 12%]	1,80,000
Total GST payable from July to February (A)	2,20,800

Less:	
Credit available on input (Note 3)	20,000
Credit available on semi-finished goods (Note 3)	10,000
Credit available on machinery (Note 3)	
(₹ 10,00,000 × 12% less ₹ 10,00,000 × 12% × 5% × 2 quarters)	1,08,000
Credit available on purchase as mentioned in point 8 [₹ 12,00,000 × 12%]	1,44,000
Total ITC (B)	2,82,000
Net GST payable in cash = (A) – (B)	Nil

Note:

1. In respect of goods supplied to the Ahmedabad Municipal Corporation, AMC is not liable to deduct tax under section 51 since the value of taxable supply under the contract does not exceed ₹ 2,50,000.
2. In respect of goods supplied to the Fishing Department of Gujarat Government, the Fishing Department of Gujarat Government is not liable to deduct tax under section 51 since the value of taxable supply under the contract does not exceed ₹ 2,50,000.
3. As per section 18(1)(c), where any registered person ceases to pay tax under composition scheme, he shall be entitled to take credit of input tax in respect of inputs held in stock, inputs contained in semi-finished or finished goods held in stock and on capital goods on the day immediately preceding the date from which he becomes liable to pay tax under section 9.

However, the credit on capital goods shall be reduced by 5% points for every quarter or part thereof [Rule 43].

CASE SCENARIO 19

Aviant Ltd., registered in Noida (Uttar Pradesh), is a supplier of machinery used for making bottle caps. The supply of machinery is effected as under:

- The wholesale price of the machinery (excluding all taxes and other expenses) at which it is supplied in the ordinary course of the business to various customers is ₹ 42,00,000.

However, the actual price at which the machinery is supplied to an individual customer varies within a range of $\pm 10\%$ depending upon the terms of contract of supply with the particular customer.

- Apart from the price of the machinery, Aviant Ltd. charges from the customer the following incidental expenses:
 - ♦ associated handling and loading charges of ₹ 10,000
 - ♦ installation and commissioning charges of ₹ 1,00,000
- The machinery can be dismantled and erected at another site, if required. The above charges are compulsorily levied in case of each supply of machinery.
- Transportation of machinery to the customer's premises is arranged by Aviant Ltd. through a third-party service provider [Goods Transport Agency (GTA)].

The customer enters into a separate service contract with the GTA and pays the freight directly to it.

- A cash discount of 2% on the price of the machinery charged from customer is offered at the time of supply, if the customer agrees to make the payment within 15 days of the receipt of the machinery at his premises.

In the event of failure to make the payment within the stipulated time, the company-

- ♦ recovers the discount given at the time of receiving payment from the customer (no separate amount of GST is recovered); and

- ♦ charges simple interest @ 1% per month or part of the month (no separate amount of GST is recovered) on the total amount due from the customer (towards the machinery supplied) from the date of making the supply till the date of payment. However, no interest is charged on the tax dues.
- For every machinery supplied, Aviant Ltd. receives a price linked subsidy of ₹ 2,00,000 from its holding company Diligent Ltd.

Aviant Ltd. has supplied a machinery to an unrelated party, Daffodil Pvt. Ltd. on 29th August at a price of ₹ 40,00,000 (excluding all taxes). Invoice was issued on 29th August by Aviant Ltd.

The corporate office of Daffodil Ltd., which is at New Delhi, has entered into contract with Aviant Ltd. for supply of machinery. However, the machinery has been installed at Daffodil Pvt. Ltd.'s registered manufacturing unit located in Gurugram (Haryana). Daffodil Pvt. Ltd. has paid the freight directly to the GTA.

Discount @ 2% on the price of machinery excluding taxes was given to Daffodil Pvt. Ltd. as it agreed to make the payment within 15 days. However, Daffodil Pvt. Ltd. paid the consideration on 30th September.

Note:

1. Assume the rates of taxes to be as under:

Bottle cap making machine		
CGST – 6%	SGST – 6%	IGST – 12%
Service of transportation of goods		
CGST – 2.5%	SGST – 2.5%	IGST – 5%
Other services involved in the above supply		
CGST – 9%	SGST – 9%	IGST – 18%

2. All the above transactions are exclusive of GST, wherever applicable.
3. The opening balance of input tax credit of DEPL for the relevant tax period is Nil. Further, subject to the information given above, assume that all the other conditions necessary for availing ITC have been fulfilled.

Based on the facts of the case scenario given above, choose the most appropriate answer to Q. Nos. 1 to 4 below:

MULTIPLE CHOICE QUESTIONS

1. The place of supply of the machinery supplied by Aviant Ltd. is _____ and the nature of supply is _____.

 - (d) Uttar Pradesh, intra-State supply
2. The GST liability of Aviant Ltd. for the month of August is _____ (approx.).
 - (a) ₹ 5,17,200
 - (b) ₹ 5,07,600
 - (c) ₹ 4,83,600
 - (d) ₹ 4,95,600
3. Supply of machinery and supply of installation and commissioning services is _____ supply. Time of supply of interest received by Aviant Ltd. and cash discount recovered on account of delayed payment of consideration is _____.
 - (a) composite, 30th September
 - (b) composite, 29th August
 - (c) mixed, 29th August
 - (d) mixed, 30th September
4. The GST liability of Aviant Ltd. for the month of September is _____ (approx.).
 - (a) ₹ 17,379
 - (b) ₹ 19,464

(c) ₹ 8,571

(d) nil

ANSWERS TO MULTIPLE CHOICE QUESTIONS

1. Option (b) Haryana, inter-State supply

Reason

In the given case-

- ♦ the location of the supplier is in Noida (UP); and
- ♦ the place of supply of machinery is the place of installation of the machinery i.e., Gurugram (Haryana) in terms of section 10(1)(d) of the IGST Act, 2017.

Therefore, the given supply is an inter-State supply as the location of the supplier and the place of supply are in two different States. Thus, the supply will be leviable to IGST.

2. Option (b) ₹ 5,07,600

Reason

Computation of GST liability of Aviant Ltd. for August

Particulars	(₹)
Price of machine	40,00,000
Add: Handling and loading charges [All incidental expenses charged by the supplier to the recipient of a supply are includible in the value of supply in terms of section 15(2)(c).]	10,000
Add: Installation and commissioning charges [Any amount charged for anything done by the supplier in respect of the supply of goods at the time of, or before delivery of goods is includible in the value of supply in terms of section 15(2)(c).]	1,00,000
Add: Transportation cost	Nil

[Transportation cost has not been included in the value of supply of the machinery as it is a separate service contract between the customer and the third-party service provider. The customer pays the freight directly to the service provider.]	
Add: Price linked subsidy from Diligent Ltd. [Subsidies directly linked to the price excluding subsidies provided by the Central Government and State Governments are includible in the value of supply in terms of section 15(2)(e).]	<u>2,00,000</u>
Total price of the machine	43,10,000
Less: 2% cash discount on price of machinery = ₹ 40,00,000 × 2% [Cash discount was deducted by Aviant Ltd. upfront at the time of supply on 1 st August, and hence, the same is excluded from the value of supply as it did not form part of the transaction value.]	<u>(80,000)</u>
Taxable value of supply	42,30,000
GST liability for the month of August [Invoice for the supply has been issued on 29 th August. Thus, the time of supply of goods is 29 th August.]	
IGST @ 12%	5,07,600

3. Option (a) composite, 30th September

Reason

As per section 2(30), composite supply means a supply made by a taxable person to a recipient consisting of two or more taxable supplies of goods or services or both, or any combination thereof, which are naturally bundled and supplied in conjunction with each other in the ordinary course of business, one of which is a principal supply. The given supply is a composite supply involving supply of goods (machinery) and services (handling and loading and installation and commissioning) where the principal supply is the supply of goods.

As per section 12(6), the time of supply in case of addition in value by way of interest, late fee, penalty etc. for delayed payment of consideration for goods is the date on which the supplier receives such addition in value.

Thus, the time of supply of interest received and cash discount recovered on account of delayed payment of consideration is 30th September, the date when the full payment was made. The supplier may issue a debit note for such interest and cash discount recovered.

4. Option (a) ₹ 17,379

Reason

Computation of GST liability of Aviant Ltd. for September

Particulars	(₹)
Interest collected @ 2% on ₹ 41,10,000 [Interest for the delayed payment (which excludes subsidy related amount of Rs 2,00,000 as the same was not recoverable from the recipient) of any consideration for any supply is includible in the value of supply in terms of section 15(2)(d).]	82,200
Add: Cash discount recovered [Cash discount recovered will be includible in the value of supply as now the transaction value i.e., the price actually paid for the machinery is devoid of any discount.]	<u>80,000</u>
Value of interest and cash discount inclusive of tax	1,62,200
IGST = (₹ 1,62,200/112) × 12 - [B] [The cash discount recovered and interest respectively are inclusive of tax. Thus, tax payable thereon has to be computed by making back calculations in terms of rule 35.]	17,379 (rounded off)

CASE SCENARIO 20

Starkart Limited owns and operates a web portal in the name of "Starkart" and is registered with the jurisdictional GST authorities in Delhi as an electronic commerce operator and is liable to collect tax at source under section 52. Starkart provides listing service to various sellers for selling the goods to ultimate customers. Besides this, Starkart also sells its own products through the same web portal.

For the listing services provided to sellers, Starkart charges a listing fee at the rate of 10% of turnover of goods sold by the seller in a particular month. Such listing fee is recovered from the seller irrespective of any return of goods sold through Starkart. The customers can choose from wide range of goods listed on the web portal and place an online order for goods.

The payment is made by the customers through the payment gateway in online mode only. At the time of monthly settlement, Starkart makes the payment to the sellers after adjusting the tax collection at source at the applicable rates.

The invoice for goods sold on Starkart is issued by the seller in the name of customers and tax is charged on the basis of location of seller and customer. The goods are shipped directly by the seller to the customer and there is no responsibility of shipping the goods on Starkart for such third-party sellers.

In case of return of goods by the customer, the shipping is arranged by Starkart. It charges a fee equivalent to 20% of the value of goods returned as cancellation charges and refunds the balance amount to the customer.

Further, 10% of the value of goods returned is collected from the seller by Starkart as handling charges for return of goods.

In the month of January, Pulkit, a resident of Rajasthan, purchased following goods from Starkart:

- a. Laptop having a value of ₹ 50,000 and a printer having a value of ₹ 10,000. Both the products are sold by Infocom Limited, a seller listed on Starkart and registered under GST in the State of Uttar Pradesh.
- b. Mobile phone having a value of ₹ 30,000 sold by Starkart in its own capacity.

- c. CCTV camera system having a value of ₹ 1,00,000 sold by Secure World, listed on Starkart and registered under GST in the State of Gujarat.

All the amounts given above are exclusive of GST, wherever applicable.

The opening balance of input tax credit for the relevant tax period for Starkart, Infocom Limited and Secure World is nil. Further, there is no other inward or outward supply transaction for Starkart, Infocom Limited and Secure World in January apart from the aforementioned transactions. Subject to the information given above, assume that all the other conditions necessary for availing ITC have been fulfilled.

GST is applicable on all inward and outward supplies at the following rates unless otherwise specified:

CGST - 9%, SGST - 9%, IGST - 18%

Based on the facts of the case scenario given above, choose the most appropriate answer to Q. Nos. 1 to 3 below:-

MULTIPLE CHOICE QUESTIONS

1. The net tax liability (including amount collected as TCS) of Starkart Limited for the month of January is:
 - (a) IGST - ₹ 9,880
 - (b) IGST - ₹ 5,400
 - (c) CGST - ₹ 3,500 and SGST - ₹ 3,500
 - (d) IGST - ₹ 9,080
2. The net GST payable in cash (after set-off of credits, if any) of Infocom Limited and Secure World for the month of January is:
 - (a) IGST - ₹ 10,800 and IGST - ₹ 18,000 respectively
 - (b) IGST - ₹ 9,720 and IGST - ₹ 16,200 respectively
 - (c) IGST - ₹ 9,420 and IGST - ₹ 15,700 respectively
 - (d) IGST - ₹ 9,120 and IGST - ₹ 15,200 respectively

3. Assuming that Pulkit returns the printer purchased from Infocom Limited in the month of January, as per the return policy, Starkart charges 20% of the value of the printer as cancellation charges from Pulkit and 10% of the value of the printer as handling charges from Infocom Limited.

The net tax liability (including amount payable as tax collection at source and after set-off of credits, if any) of Starkart in such scenario for the month of January would be:

- (a) ₹ 6,900 payable as IGST.
- (b) ₹ 3,450 payable as CGST and ₹ 3,450 payable as SGST.
- (c) ₹ 9,570 payable as IGST.
- (d) ₹ 10,320 payable as IGST.

ANSWERS TO MULTIPLE CHOICE QUESTIONS

1. **Option (d)** IGST - ₹ 9,080

Reason

Computation of net tax liability (including amount collected as TCS) of Starkart Limited for January:

Particulars	₹
TCS to be collected from Infocom Limited on supply of Laptop and a printer to Pulkit [Starkart is an ECO since it owns and operates a web portal through which Infocom Limited supplies goods. Further, IGST is applicable on said inter-State transaction since supplier - Infocom Limited is located in the State of Uttar Pradesh and place of supply is Rajasthan [i.e. where movement of goods terminates in terms of section 10(1)(a) of the IGST Act, 2017]. Thus, Starkart will collect TCS @ 0.5% of [₹ 50,000 + ₹ 10,000]	300
GST to be paid by Starkart on supply of mobile phone made on its own account @ 18% (IGST) of ₹ 30,000. IGST is applicable on said inter-State transaction since supplier - Starkart is located in Delhi and place of supply is Rajasthan	5,400

[i.e. where movement of goods terminates in terms of section 10(1)(a) of the IGST Act, 2017]. Since supply has been made by Starkart on its own account, no TCS needs to be collected.	
TCS to be collected from Secure World on supply of CCTV camera system to Pulkit [ECO - Starkart is liable to collect TCS on this transaction. Further, IGST is applicable on said inter-State transaction since supplier - Secure World is located in the State of Gujarat and place of supply is Rajasthan [i.e. where movement of goods terminates in terms of section 10(1)(a) of the IGST Act, 2017]. Thus, Starkart will collect TCS @ 0.5% of ₹ 1,00,000]	500
Listing services provided by Starkart to Infocom Limited and Secure Limited @ 10% of turnover for the month of January. Turnover of Infocom Limited and Secure Limited is ₹ 60,000 and ₹ 1,00,000 respectively. CASE SCENARIO 21

Advance Traders is a partnership firm in Jaipur, Rajasthan. The firm has obtained GST registration at its Head Office (HO) in Jaipur and is a monthly return filer. Further, the firm is having its depot for storage of goods in other districts in Rajasthan. The depots are added as additional place of business in the GST registration obtained at HO. Following details are provided about the firm for the month of July:

- a. Advance Traders received goods worth ₹ 5,00,000 for which GST is payable on reverse charge basis. The goods were received on 25th July. The supplier issued an invoice dated 24th July and payment for the same was debited in the bank account of Advance Traders on 30th July. Due to the absence of accountant, the transaction was recorded in the books of accounts on 1st August.
- b. In the month of July, Advance Traders issued vouchers worth ₹ 2,00,000 to its customers, which were eligible to be redeemed against identified goods. Also, certain set of customers were issued vouchers worth ₹ 5,00,000 in the month of August. The said vouchers were eligible to be redeemed against any supply of goods in next 6 months starting from August month.
- c. Mr. X, a partner in the firm, booked a Hotel in Udaipur, Rajasthan for the wedding of his daughter in the month of October. An advance of ₹ 5,00,000 for booking the hotel was paid by way of online payment from the current account of Advance Traders in July. The hotel charged GST on such booking at the rate of 28% (CGST @ 14% and SGST @ 14% or IGST @ 28%, as the case may be) on the amount received as advance and issued a receipt voucher.
- d. Advance Traders made a supply of goods worth ₹ 25,00,000 during the month of July. Out of the aforesaid supply, goods worth ₹ 5,00,000 were not liable to GST. However, Advance Traders inadvertently charged GST on such goods and collected the same from the customers.

The opening balance of input tax credit for all registrations is nil for the relevant tax period. Further, subject to the information given above, assume that all the other conditions necessary for availing ITC have been fulfilled. All the above transactions are exclusive of GST, wherever applicable.

GST is applicable on all inward and outward supplies @ 18%.

Based on the facts of the case scenario given above, choose the most appropriate answer to Q. Nos. 1 to 3 below:-

 - (d) ₹ 4,86,000
2. Amount of input tax credit available to Advance Traders against the hotel booking expense shall be _____. Would there be any change if the hotel is located outside Rajasthan?

 - (d) No show cause notice is required to be issued. The tax amount shall be refunded to the customers if the customer demands the same.

ANSWERS TO MULTIPLE CHOICE QUESTIONS

1. **Option (d)** ₹ 4,86,000

Reason

Computation of the net GST liability to be discharged from electronic cash ledger for the month of July by Advance Traders:

Particulars	Value (₹)	GST @ 18% (₹)
<u>GST payable under forward charge</u>		
Vouchers issued in July [Since vouchers are issued against identifiable supplies, they are liable to GST in the month in which such vouchers are issued, i.e. July.]	2,00,000	36,000
Supply of goods [Every person who has collected from any other person any amount as representing GST must pay the said amount to the Government (Section 76). Thus, Advance Traders will deposit the GST inadvertently charged and collected on supply worth ₹ 5,00,000 to the Government.]	25,00,000	<u>4,50,000</u>
GST payable under forward charge		4,86,000
Less: ITC of tax payable on goods received under reverse charge	5,00,000	<u>(90,000)</u>
Net GST payable		3,96,000
Add: GST payable on goods received under reverse charge		<u>90,000</u>
Net GST liability to be discharged from electronic cash ledger for the month of July by Advance Traders		4,86,000

2. **Option (a)** Nil. There will be no change even if the hotel is located outside Rajasthan

Reason

Section 16(1) provides that every registered person shall be entitled to take credit of input tax charged on any supply of goods or services or both to him provided such goods or services or both are used or intended to be used in the course or furtherance of his business and the said amount shall be credited to the electronic credit ledger of such person. Accordingly, ITC will not be available to Advance Traders in respect of the hotel booking expense because Mr. X, the partner of the firm, booked the hotel for his personal purposes and such expense has not been incurred in course or furtherance of business of Advance Traders.

3. Option (c) No time limit to issue the show cause notice**Reason**

Section 76 provides that notwithstanding anything to the contrary contained in any order or direction of any Appellate Authority or Appellate Tribunal or court or in any other provisions of this Act or the rules made thereunder or any other law for the time being in force, every person who has collected from any other person any amount as representing the tax under the CGST Act, and has not paid the said amount to the Government, shall forthwith pay the said amount to the Government, irrespective of whether the supplies in respect of which such amount was collected are taxable or not.

Where any amount is so required to be paid to the Government and which has not been so paid, the proper officer may serve on the person liable to pay such amount a notice requiring him to show cause as to why the said amount as specified in the notice, should not be paid by him to the Government and why a penalty equivalent to the amount specified in the notice should not be imposed on him under the provisions of the CGST Act.

It is important to note that no time limit has been prescribed under the GST law for issuing notice.

CASE SCENARIO 22

William & Sons (WS) is a partnership firm, registered under GST, engaged in manufacturing activity in the State of Rajasthan under GST and files return on a monthly basis. In the month of July, following transactions were undertaken by WS:

- (a) Intra-State sale of goods worth ₹ 10,00,000. Out of such sale, ₹ 5,00,000 worth of goods were liable to GST at 28% and balance were liable to GST at 18%.
- (b) Intra-State purchase of goods worth ₹ 10,00,000 which is liable to GST at 28%.
- (c) WS intended to transfer the business as going concern to Morgan & Sons (MS) on 31st July. As per the terms of transfer, WS will transfer all the business assets worth ₹ 50,00,000 and all the liabilities valued at ₹ 20,00,000.
- (d) WS, on account of such transfer, paid gift worth ₹ 50,000 to its 3 employees as a reward towards their services to the firm.

During the month of September, MS received the notice from the GST Department for the outstanding liability of GST for ₹ 5,00,000 pertaining to the period before transfer of business by WS. Such liability was determined after the transfer of business. For this purpose, assume that all the assets and liabilities were transferred by WS to MS.

The balance of input tax credit at the beginning of the relevant period for WS is nil. Further, subject to the information given above, assume that all the other conditions necessary for availing ITC have been fulfilled.

GST is applicable on all inward and outward supplies @ 18% unless otherwise specified. (Ignore CGST, SGST and IGST bifurcation for the sake of simplicity.)

All the amounts given above are exclusive of GST, wherever applicable.

Based on the facts of the case scenario given above, choose the most appropriate answer to Q. Nos. 1 to 4 below:-

MULTIPLE CHOICE QUESTIONS

1. The gross GST liability (without set off of input tax credit) of WS for the month of July is _____.
 - (a) ₹ 2,32,000
 - (b) ₹ 2,80,000
 - (c) ₹ 25,000
 - (d) ₹ 2,30,000
2. In case of transfer of business to MS, what is the amount of input tax credit which shall stand transferred to MS?
 - (a) ₹ 25,000
 - (b) ₹ 50,000
 - (c) Nil. In case of partnership firm input tax credit cannot be transferred on account of transfer of business.
 - (d) Nil as the value of liabilities is more than the value of assets.
3. Who is liable to discharge the liability of ₹ 5,00,000 on account of notice received by MS in the month of September?
 - (a) MS, as the business is transferred by WS in July and notice was received in September
 - (b) WS, as the notice pertains to liability before transfer of business
 - (c) Liability on MS only up to the amount of input tax credit transferred by WS
 - (d) MS and WS shall be jointly and severally liable
4. As WS transfers the business as a going concern, let us suppose that it transfers all the assets and liabilities of such business for a lumpsum amount to MS, the transaction shall be:
 - (a) treated as taxable supply liable to GST under forward charge as WS is a registered person under GST.
 - (b) liable to GST in the hands of MS under reverse charge basis.

- (c) exempted from GST.
- (d) liable to GST only for assets on which input tax credit is availed.

ANSWERS TO MULTIPLE CHOICE QUESTIONS

1. Option (d) ₹ 2,30,000

Reason

Particulars	GST (₹)
Supplies taxable @ 28% [₹ 5,00,000 × 28%]	1,40,000
Supplies taxable @ 18% [₹ 5,00,000 × 18%]	90,000
Gift worth ₹ 50,000 given to 3 employees [As per Schedule I of the CGST Act, 2017, gift to employees upto ₹ 50,000 shall not be considered as supply.]	Nil
Gross GST liability (without set off of input tax credit) of WS for the month of July	2,30,000

2. Option (b) ₹ 50,000

Reason

As per provisions of section 18(3) read with rule 41, where there is a change in the constitution of a registered person on account of transfer of the business with the specific provisions for transfer of liabilities, the said registered person shall be allowed to transfer the ITC which remains unutilised in his electronic credit ledger to such transferred business. Form GST ITC-02 is also required to be filed for transferring the balance of input tax credit.

Thus, in case of transfer of business, all the liabilities of the transferor MUST be transferred to the transferee. In the present case, liabilities worth ₹ 10,00,000 have also been transferred by the transferor i.e. WS.

Hence, the balance of ITC of ₹ 50,000 [Output tax ₹ 2,30,000 (1,40,000+90,000) *Less* Input tax (₹ 2,80,000)] shall be transferred to MS on account of transfer of business.

3. **Option (d)** MS and WS jointly and severally liable.

Reason

As per section 85, where a taxable person (WS), liable to pay tax, transfers his business, the taxable person and the person to whom the business is so transferred (MS) shall, jointly and severally, be liable wholly or to the extent of such transfer, to pay the tax, interest or any penalty due from the taxable person up to the time of such transfer, whether such tax, interest or penalty has been determined before such transfer, but has remained unpaid or is determined thereafter.

4. **Option (c)** exempted from GST.

Reason

Services by way of transfer of a going concern, as a whole or an independent part thereof are exempt from GST. In the present case also, the business is being transferred as going concern and hence, the same shall be exempt from GST.

KLM Ltd. is a large publishing and printing house registered under GST under a single GSTIN in Maharashtra. It is engaged in supply of books, letter cards, envelopes, guides and reference materials.

KLM Ltd. has front offices in Mumbai & Nagpur (Mumbai office being declared as principal place of business and Nagpur office and workshop located at Nagpur as additional place of business in Maharashtra) for receiving the orders; orders are supplied to front office or supplied to recipient directly, from the workshop located at Nagpur, depending on order. KLM Ltd. agreed to supply the books. As per the requirement of the author, 2500 copies were supplied from workshop to Nagpur front office and 2500 copies to Mumbai front office from where the author collected books.

Satisfied with the quality of books, the author placed another order of 10,000 pieces of letterhead during May, the design and logo was supplied by the author for printing. Due to these orders, KLM Ltd. earned a handsome amount of profit and decided to gift employees for their performance. Accordingly, KLM Ltd. gifted mobile phone worth ₹ 36,500 each to all its 45 employees.

Based on the facts of the case scenario given above, choose the most appropriate answer to Q. Nos. 1 to 4 below:-

MULTIPLE CHOICE QUESTIONS

1. Supply of taxation books by KLM Ltd. is:
 - (a) composite supply, principal supply being "supply of service".
 - (b) composite supply, principal supply being "supply of goods".
 - (c) mixed supply.

- (d) supply of goods or service or mixed supply, at the choice of the KLM Ltd. and it may pay the tax accordingly.
- 2. Supply of letterheads by KLM Ltd. will be treated as:
 - (a) composite supply, principal supply being "supply of service".
 - (b) composite supply, principal supply being "supply of goods".
 - (c) mixed supply.
 - (d) supply of goods or service or mixed supply, at the choice of the KLM Ltd. and it may pay the tax accordingly.
- 3. Distribution of mobile phones to employees free of cost by KLM Ltd. will:
 - (a) be treated as deemed supply as per para 2 of Schedule I of the CGST Act, 2017 because the aggregate value of mobile phones is more than ₹ 50,000.
 - (b) not to be treated as deemed supply as per para 2 of Schedule I of the CGST Act, 2017 because value of the mobile phone is less than ₹ 50,000 per employee.
 - (c) be treated as deemed supply as per para 2 of Schedule I of the CGST Act, 2017 because the value of mobile phone is more than ₹ 25,000 per employee.
 - (d) be treated as deemed supply as per para 2 of Schedule I of the CGST Act, 2017 because the value of mobile phone is more than ₹ 35,000 per employee.
- 4. In relation to taxability of supplies of copies from workshop to front office:
 - (a) transfer from workshop to Nagpur front office will be treated as inter-branch transfer, but is not liable to GST; however, transfer from workshop to the Mumbai front office will be treated as inter-branch transfer between distinct persons and is liable to GST.
 - (b) transfer from the workshop to Nagpur front office and Mumbai Front office will be treated as inter-branch transfer between distinct persons and are liable to GST.

- (c) transfer from the workshop to Nagpur front office and Mumbai Front office will be treated as inter-branch transfer, but are not liable to GST.
- (d) transfer from workshop to the Mumbai front office will be treated as inter-branch transfer, but is not liable to GST, however, transfer from workshop to the Nagpur front office will be treated as inter-branch transfer between distinct persons and is liable to GST.

ANSWERS TO MULTIPLE CHOICE QUESTIONS

1. **Option (a)** composite supply, principal supply being "supply of service".

Reason

As per *Circular No. 11/11/2017 GST dated 20.10.2017*, supply of books, pamphlets, brochures, envelopes, annual reports, leaflets, cartons, boxes etc. printed with logo, design, name, address or other contents supplied by the recipient of such printed goods are composite supplies. Further, in the case of printing of books, pamphlets, brochures, annual reports, and the like, where only content is supplied by the publisher or the person who owns the usage rights to the intangible inputs while the physical inputs including paper used for printing belong to the printer, supply of printing [of the content supplied by the recipient of supply] is the principal supply and therefore such supplies would constitute supply of service.

2. **Option (b)** composite supply, principal supply being "supply of goods".

Reason

As per *Circular No. 11/11/2017 GST dated 20.10.2017*, supply of books, pamphlets, brochures, envelopes, annual reports, leaflets, cartons, boxes etc. printed with logo, design, name, address or other contents supplied by the recipient of such printed goods are composite supplies. Further, in case of supply of printed envelopes, letter cards, printed boxes, tissues, napkins, wall paper etc. by the printer using its physical inputs including paper to print the design, logo etc. supplied by the recipient of goods, predominant supply is supply of goods and the supply of printing of the content [supplied by the recipient of supply] is ancillary to the principal

supply of goods and therefore such supplies would constitute supply of goods.

3. **Option (b)** not to be treated as deemed supply as per para 2 of Schedule I because value of the mobile phone is less than ₹ 50,000 per employee.

Reason

Distribution of mobile phones free of cost to employees by KLM Ltd. will not to be treated as deemed supply as per proviso to para 2 of Schedule I of the CGST Act, 2017 because value of the mobile phone is less than ₹ 50,000 per employee. Proviso to para 2 of Schedule I of the CGST Act, 2017 provides that gifts not exceeding fifty thousand rupees in value in a financial year by an employer to an employee shall not be treated as supply of goods or services or both.

4. **Option (c)** transfer from the workshop to Nagpur front office and Mumbai Front office will be treated as inter-branch transfer, but are not liable to GST.

Reason

KLM Ltd. has a single GSTIN in Maharashtra with Mumbai office being declared as principal place of business and Nagpur office and workshop located at Nagpur as additional place of business in Maharashtra. Thus, any transfer of goods from the workshop located at Nagpur to Nagpur front office and Mumbai Front office will be treated as inter-branch transfer, but do not qualify as supply in terms of section 7(1)(c) read with para 2 of Schedule I of the CGST Act, 2017 and are not liable to GST.

CASE SCENARIO 24

Diwakar (P) Ltd., registered under GST in Delhi, is engaged in trading of cement as well as providing services by way of renting of commercial properties. On 2nd January, it received a contract for supply of 1,000 kg cement from Pakija (P) Ltd., registered under GST in Punjab. Pakija (P) Ltd. directed Diwakar (P) Ltd. to send the consignment to Gajab & Sons, registered under GST in Gujarat.

Diwakar (P) Ltd. prepared the consignment on 4th January and dispatched the same on the next day from its warehouse in Gurugram, Haryana. The invoice was also issued on 5th January. On 7th January, it received the cheque and accountant entered the payment in books of accounts. However, he presented the cheque in bank on 14th January which was credited in the bank account of the company on 15th January. In the meanwhile, on 10th January, the rate of tax on cement was reduced from 28% to 18%.

On the inspection of said goods, it was found that there is some deficiency in the quality of goods and therefore, the defective goods were returned to Diwakar (P) Ltd. Diwakar (P) Ltd. issued credit note for the same on 20th January.

Diwakar (P) Ltd. let out its property located in Delhi for a year in lieu of monthly rental income and received rent for the month of January from Pakija (P) Ltd. on 10th February. Pakija (P) Ltd. will establish its sales outlet on the same. However, as per the contract entered, the rent for a month should have been received by 7th of the following month.

Based on the facts of the case scenario given above, choose the most appropriate answer to Q. Nos. 1 to 3 below:-

MULTIPLE CHOICE QUESTIONS

1. What will be the time of supply and rate of tax to be charged in respect of supply of 1,000 kg of cement?
 - (a) 5th January; 28%
 - (b) 7th January; 28%

- (c) 14th January; 18%
 - (d) 15th January; 18%
2. What is the place of supply in respect of transaction between Diwakar (P) Ltd. and Pakija (P) Ltd., and Pakija (P) Ltd. and Gajab & Sons, respectively?
- (a) Delhi, Punjab
 - (b) Punjab, Gujarat
 - (c) Haryana, Punjab
 - (d) Haryana, Gujarat
3. Diwakar (P) Ltd. has not issued any invoice in respect of the services provided by way of renting of commercial properties in the month of January. What is the last date for issuance of invoice?
- (a) 10th February
 - (b) 7th February
 - (c) Either (a) or (b), whichever is earlier.
 - (d) Either (a) or (b), whichever is later.

ANSWERS TO MULTIPLE CHOICE QUESTIONS

1. **Option (a)** 5th January; 28%

Reason

Section 14(a)(ii) provides that, where there is a change in the rate of tax in respect of goods where the goods have been supplied before the change in rate of tax and the invoice has been issued prior to the change in rate of tax, but payment is received after the change in rate of tax, the time of supply shall be the date of issue of invoice. Accordingly, the time of supply and rate of tax to be charged in respect of supply of 1,000 kg of cement are 5th January and 28%.

2. Option (b) Punjab, Gujarat**Reason**

The supply between Diwakar (P) Ltd. (Delhi) and Pakija (P) Ltd. (Punjab) is a bill to ship to supply where the goods are delivered by the supplier [Diwakar (P) Ltd.] to a recipient [Gajab & Sons (Gujarat)] on the direction of a third person [Pakija (P) Ltd.].

In case of such supply, it is deemed that the said third person has received the goods and the place of supply of such goods is the principal place of business of such person [Section 10(1)(b)]. Thus, the place of supply between Diwakar (P) Ltd. (Delhi) and Pakija (P) Ltd. (Punjab) will be Jalandhar, Punjab.

This situation involves another supply between Pakija (P) Ltd. (Punjab) and Gajab & Sons (Gujarat). In this case, since the supply involves movement of goods, place of supply will be the location of the goods at the time at which the movement of goods terminates for delivery to the recipient, i.e. Gujarat [Section 10(1)(a)].

3. Option (b) 7th February**Reason**

As per section 31(5)(a), in case of continuous supply of services, where the due date of payment is ascertainable from the contract, the invoice shall be issued on or before the due date of payment. Accordingly, the last date for issuance of invoice in respect of the services provided by Diwakar (P) Ltd. by way of renting of commercial properties in the month of January is 7th February.

 - (b) Yes. Since provision of service and issue of invoice is after the change in rate of tax, new rate shall be applicable.
 - (c) No. Since time of supply shall be earlier of date of receipt of payment and date of issue of invoice, old rate shall be applicable.
 - (d) Yes. Since provision of service is after change in rate of tax, new rate shall be applicable. Date of invoice is not relevant.

 - (c) Jain Bhagwan (P) Ltd. cannot seek advance ruling to determine the time and value of supply of air conditioners.
 - (d) Jain Bhagwan (P) Ltd. can seek advance ruling to determine the time and value of supply of air conditioners. Order of AAR is final and cannot be appealed against.

ANSWERS TO MULTIPLE CHOICE QUESTIONS

1. Option (a) 18%**Reason**

Supply of AC with installation services is a composite supply, in terms of section 2(30). Further, as per section 8(a), a composite supply comprising two or more supplies, one of which is a principal supply, shall be treated as a supply of such principal supply. Here, supply of AC is principal supply and installation service is ancillary to principal supply. Thus, applicable rate of GST will be rate applicable on supply of air conditioner.

2. Option (c) 13th February**Reason**

Section 14(a)(iii) provides that in case where there is a change in the rate of tax of services and the services have been supplied before the change in rate of tax and the payment has been received before the change in rate of tax, but the invoice for the same is issued after the change in rate of tax, the time of supply shall be the date of receipt of payment. Accordingly, the time of supply of service provided to Mr. Varun is 13th February.

3. Option (b) Yes. Since provision of service and issue of invoice is after the change in rate of tax, new rate shall be applicable.**Reason**

Section 14(b)(iii) provides that in case where there is a change in the rate of tax of services and the services have been supplied after the change in rate of tax and the invoice has been issued after the change in rate of tax but the payment is received before the change in rate of tax, the time of supply shall be the date of issue of invoice. Accordingly, the time of supply shall be 28th February. Thus, new rate of GST shall be applicable.

4. Option (a) Jain Bhagwan (P) Ltd. can seek advance ruling to determine the time and value of supply of air conditioners. After seeking advance ruling, if it is aggrieved with the finding of the Authority for Advance Ruling (AAR), it can also file an appeal with Appellate Authority for Advance Ruling (AAAR).

Reason

Section 97(2)(c) provides that the advance ruling can be sought in respect of determination of time and value of supply of goods or services or both. Further, section 100 provides that the concerned officer, the jurisdictional officer or an applicant aggrieved by any advance ruling pronounced may appeal to the Appellate Authority.

Accordingly, Jain Bhagwan (P) Ltd. can seek advance ruling to determine the time and value of supply of air conditioners. After seeking advance ruling, if it is aggrieved with the finding of the Authority for Advance Ruling (AAR), it can also file an appeal with Appellate Authority for Advance Ruling (AAAR).

CASE SCENARIO 26

Bright Public School, New Delhi, under the aegis of Bright Minds Society, has provided/received following services/supplies in the month of March:

1. Provided transportation services to its students, teachers and other staff for commuting to and from school. Such transportation services are provided to Bright Public School by Ambaji Transporters.

An amount of ₹ 1,500 per month is charged from students whereas such services are provided free of cost to teachers and other staff, being part of their employment contract. Consolidated amount of ₹ 2 lakh per month is paid to Ambaji Transporters.

2. It conducted entrance examination for students of Class XI for upcoming academic year. It charged entrance fee of ₹ 1,000 from external students and nominal entrance fee of ₹ 200 was charged from internal students at school. A total of 2000 students gave entrance exam out of which 1000 were internal students.
3. Bright Public School also provides boarding and lodging facilities to its students belonging to other cities of India. A consolidated amount of ₹ 1,75,000 per annum is charged per student as a consideration for educational services as well as for services of boarding and lodging provided to them.

Note: The above amounts are exclusive of GST, wherever applicable. All the transactions are intra-State.

Based on the facts of the case scenario given above, choose the most appropriate answer to Q. Nos. 1 to 4 below:-

MULTIPLE CHOICE QUESTIONS

1. Choose the most appropriate option in relation to service of transportation of students, teachers and other staff provided by Bright Public School:

- (a) Services provided for the amount of ₹ 1,500 charged per student is supply in terms of section 7 of the CGST Act, 2017 and GST is payable on the said amount.
 - (b) The transportation services provided by Bright Public School to students, teachers and other staff are exempt from GST.
 - (c) The transportation services provided to students is specifically exempted from GST under section 11 of the CGST Act, 2017 whereas transportation services provided to teachers and other staff is not a supply as it is provided in course of employment.
 - (d) Transportation services provided to teachers and staff are exempt from GST. However, since ₹ 1,500 is being charged from students for their transportation, it is not an exempt supply and GST is payable on the same.
2. Choose the most appropriate option in relation to entrance fee charged by Bright Public School from the students:
- (a) No GST is leviable on entrance fee charged from internal students. However, GST is payable by school on entrance fee charged from outside students as it is a service in relation to entrance examination provided to outsiders who are not the students of the school and therefore, supply is not eligible for exemption.
 - (b) GST is payable on whole of the consideration received from students (internal and external both) as only services provided to educational institution relating to admission or conduct of examination are exempt and not the services provided by educational institution for conduct of entrance examination.
 - (c) No GST is payable on consideration of ₹ 12,00,000 received from students in the form of entrance exam fee as such amount is exempt from GST. However, it still qualifies to be a supply as per the CGST Act, 2017 and needs to be reported in the return for the month of May as exempt supply.
 - (d) Since entrance exam fee is received for admission to the upcoming academic session, the amount of consideration needs to be

amortized over the year and value of such supply would be reported in the respective month as nil rated supply.

3. Choose the most appropriate option in relation to boarding and lodging facilities provided by Bright Public School in addition to educational services and consideration charged thereto:
 - (a) It is a composite supply where the principal supply is educational services. Since the principal supply is exempt, the entire consideration of ₹ 1,75,000 is also exempt from tax.
 - (b) It is a composite supply where the principal supply is that of boarding and lodging services; educational services are incidental to boarding and lodging services. Therefore, the tax is payable at the rate applicable to principal supply, i.e., boarding and lodging services.
 - (c) It is a mixed supply where educational services and boarding and lodging services are independent of each other. Therefore, the tax is payable at the highest rate of tax applicable among these supplies.
 - (d) It is a mixed supply where educational services and boarding and lodging services are independent of each other. Therefore, the tax is payable at the lowest rate of tax applicable among these supplies.
4. Choose the most appropriate option in relation to supply of service by Ambaji Transporters to Bright Public School:
 - (a) GST is payable by the school on the services provided by Ambaji Transporters as they are covered under section 9(3) of the CGST Act, 2017 which includes services by a transporter.
 - (b) GST is not payable on the services provided by Ambaji Transporters as services provided by it do not qualify as supply under the CGST Act, 2017.
 - (c) GST is payable on the services provided by Ambaji Transporters as Ambaji Transporters is not an educational institution and said services are exempt only when provided by an educational institution.

- (d) GST is not payable at all on the services provided by Ambaji Transporters as services provided to an educational institution by way of transportation of students, faculty and staff are exempt from GST.

ANSWERS TO MULTIPLE CHOICE QUESTIONS

1. **Option (b)** The transportation services provided to students, teachers, other staff is exempt from GST.

Reason

Entry 66(a) of *Notification No. 12/2017 Central Tax (Rate) dated 28.06.2017* provides that services provided by an educational institution to its students, faculty and staff are exempt from GST.

2. **Option (c)** No GST is payable on consideration of ₹ 12,00,000 received from students in the form of entrance exam fee as such amount is exempt from GST. However, it still qualifies to be a supply as per the CGST Act, 2017 and needs to be reported in the return for the month of May as exempt supply.

Reason

Entry 66(aa) of *Notification No. 12/2017 Central Tax (Rate) dated 28.06.2017* provides that services provided by an educational institution by way of conduct of entrance examination against consideration in the form of entrance fee are exempt from GST. Further, details of outward supplies are required to be furnished in Form GSTR-3B.

3. **Option (a)** It is a composite supply where the principal supply is educational services. Since the principal supply is exempt, the entire consideration of ₹ 1,75,000 is also exempt from tax.

Reason

Entry 66(a) of *Notification No. 12/2017 Central Tax (Rate) dated 28.06.2017* provides that services provided by an educational institution to its students, faculty and staff are exempt from GST.

Boarding schools provide service of education coupled with other services like providing dwelling units for residence and food. This is a case of composite supply if the charges for education and lodging and boarding

are inseparable. Their taxability will be determined in terms of the principles laid down in section 2(30) read with section 8(a).

Such services in the case of boarding schools are naturally bundled and supplied in the ordinary course of business. Therefore, the bundle of services will be treated as consisting entirely of the principal supply, which means the service which forms the predominant element of such a bundle.

In this case since the predominant nature is determined by the service of education, the other service of providing residential dwelling will not be considered for the purpose of determining the tax liability and in this case, the entire consideration for the supply will be exempt.

- 4. Option (d)** GST is not payable at all on the services provided by Ambaji Transporters as services provided to an educational institution by way of transportation of students, faculty and staff are exempt from GST.

Reason

Entry 66(b)(i) of *Notification No. 12/2017 Central Tax (Rate) dated 28.06.2017* provides that services provided to an educational institution, by way of transportation of students, faculty and staff are exempt from GST.

CASE SCENARIO 27

Zoom Air is an airline company operating domestic as well as international flights. The head office of Zoom Air is in Mumbai and the company has also obtained registration under GST in each of the States from where the flight operations are being conducted.

- (i) Zoom Air sold air tickets worth ₹ 5,00,000 during the month from its head office and the breakup of air fare is as follows:

Basic fare excluding GST – ₹ 4,00,000

Passenger Service Fee (PSF) and User Development Fee² (UDF) [inclusive of GST] – ₹ 1,00,000

PSF and UDF are remitted by Zoom Air to the airport authority. Further, the amount of PSF and UDF is separately disclosed in the invoice issued to customers by Zoom Air along with applicable GST. The airport authority pays an amount of 5% of PSF and UDF (inclusive of GST amount) collected as collection charges to Zoom Air on which GST is applicable. There is no levy of PSF and UDF on the tickets booked by Zoom Air for its own crew or other employees.

- (ii) Zoom Air (Head Office) has collaborated with Supertrip India, an online travel portal, providing services to the customers by way of booking air tickets through its electronic commerce platform and registered under GST in the State of Maharashtra. During the month, Supertrip India booked tickets for ₹ 2,00,000 (base fare excluding GST, PSF and UDF) for the customers of Zoom Air. The amount was remitted by Supertrip India to Zoom Air after adjusting the amount of tax collected at source under section 52. In addition to the aforesaid amount, Supertrip India charged commission from Zoom Air at the rate of 5% of the base fare of air tickets booked.
- (iii) Zoom Air (Head Office) charged 100% cancellation fee from the customers for bookings made in prior months. The amount of

² Both PSF and UDF are statutory fees which are required to be collected by the airlines as per Government directions and authorization given to airlines.

cancellation fee charged was ₹ 1,00,000 inclusive of GST. Instead of actually collecting the cancellation fee from the customers, such amount was adjusted against the booking amount and GST discharged at the time of initial bookings. However, the PSF and UDF amounting to ₹ 10,000 (inclusive of GST) charged from the customers against such bookings were refunded.

- (iv) Zoom Air (Head Office) provided gifts in the form of air tickets to 10 of its employees based at its head office for an amount equivalent to ₹ 60,000 each. No amount was recovered from the employees for such air tickets.
- (v) Zoom Air has a corporate tie-up with Welcome Hotel, located in Rajasthan, for stay of its crew members. For January, the hotel issued an invoice of ₹ 5,00,000 in the name of Zoom Air, Head office, Mumbai.

All the amounts given above are exclusive of GST unless otherwise provided. The opening balance of Electronic Credit Ledger of Zoom Air and Supertrip India for the relevant tax period is nil. Subject to the information given above, assume that all the other conditions necessary for availing ITC have been fulfilled. Assume that there is no other outward or inward supply transaction apart from aforesaid transactions, in the month of January.

GST is applicable on all inward and outward supplies unless otherwise specified @ 18%. (Ignore CGST, SGST and IGST bifurcation for the sake of simplicity.)

In case of cancellation of tickets, the airport authority and Zoom Air had an agreement that PSF and UDF related adjustment shall be finalized at the end of financial year, i.e., during the month of March. Further, separate GST invoice shall be issued to carry out such adjustment in books of accounts.

4. **Option (d)** Zoom Air is required to pay CGST of ₹ 45,000 and SGST of ₹ 45,000 and full credit shall be allowed to Amazing Pvt. Ltd.

Reason

Sale of online advertisement space is covered under the definition of online information and database access or retrieval services in terms of section 2(17) of the IGST Act, 2017. However, since both supplier and recipient of OIDAR services are registered in the State of Haryana, Zoom Air shall be liable to pay GST under forward charge.

CGST and SGST @ 9% each will be charged on said supply as it is an intra-State supply since the place of supply is Haryana being location of registered recipient, in terms of section 12(2) of the IGST Act, 2017. Further, input tax credit of the same shall be available to Amazing Ltd. as the same is used in course and furtherance of business.

5. **Option (c)** Supertrip India shall be liable to pay net GST of ₹ 90,000 and Zoom Air shall be liable to pay GST of ₹ 1,80,000.

Since all other compliances were met by Supertrip India and the tickets were purchased and sold by

Supertrip India in its own capacity, the input tax credit of ₹ 1,80,000 shall be available to Supertrip India.

The amount collected by Supertrip India for 800 tickets was ₹ 15,00,000. GST @ 18% payable on the same shall be ₹ 2,70,000. The net GST payable after adjusting input tax credit of ₹ 1,80,000 shall be ₹ 90,000.

ANSWERS TO MULTIPLE CHOICE QUESTIONS

1. Option (a) (ii) and (iv)**Reason**

Out of the activities/transactions undertaken by Dhairya Limited, the following activities/transactions do not amount to supply:

- (i) Computer being used for business purpose given free of cost to unrelated person.

Since ITC has not been taken on the computer, permanent transfer of the same without any consideration to an unrelated customer shall not amount to deemed supply in terms of Schedule I to the CGST Act, 2017.

- (ii) Recovery of bond amount from the outgoing Managing Director.

It is not a supply since bond amount recovered is not a consideration for tolerating the act of premature quitting of employment in terms of *Circular No. 178/10/2022 GST dated 03.08.2022*.

2. Option (d) (i) and (iii)**Reason**

GST is payable under reverse charge on following services:

- (i) Tax on services provided by the arbitral tribunal is payable under reverse charge by the recipient of service under section 9(3) vide *Notification No. 13/2017 CT (R) dated 28.06.2017*.

3. Option (b) CGST - ₹ 98,100, SGST - ₹ 98,100 and IGST - ₹ 2,70,000

Reason

Particulars	CGST (₹)	SGST (₹)	IGST (₹)

nearest point of the appropriate baseline is located. Therefore, place of supply will be in Kerala being nearer to base line and hence, supply will be intra-State supply]

Computer given free of cost to unrelated customer [Since ITC has not been taken on the computer, permanent transfer of the same without any consideration to an unrelated customer shall not amount to deemed supply in terms of Schedule I to the CGST Act, 2017. Further, since no ITC has been taken, question of reversal of ITC attributable to the remaining useful life of the computer does not arise.]			
Total GST payable on outward supplies	98,100	98,100	2,70,000

4. **Option (b)** GST is applicable and the place of supply is Kerala.

Reason

As per section 12(7) of the IGST Act, 2017, the place of supply services provided by way of organisation of a cultural, artistic, sporting, scientific, educational or entertainment event including supply of services in relation to a conference, fair, exhibition, celebration or similar events shall be the location of the recipient if the recipient is a registered person and if such event is held outside India, the place of supply shall be the location of the recipient.

In the present case, since Dhairya Limited is a registered person and the event is organized outside India, i.e. in Dubai, the place of supply shall be the location of recipient i.e. Kerala. Since place of supply is in India, GST shall be applicable on such services.

CASE SCENARIO 30

Shreyans Ltd. (hereinafter referred as "company") is a conglomerate having diversified businesses including hotels, FMCG (Fast-Moving Consumer Goods), information technology etc. It has its corporate office in Delhi and operations across multiple States in India. As an internal policy, the company has obtained single GST registration in each State irrespective of the diversified business operations being undertaken in the State. During the month of April, the company undertook the following transactions:

- (a) The FMCG division of the company in Jaipur, Rajasthan agreed to use the vacant godown within the premises of Hotel Division in Udaipur, Rajasthan for storage of its goods. The value of such an arrangement was agreed at ₹ 5 lakh per month. Said amount was agreed to be adjusted by way of intra-division book adjustment on a monthly basis.
- (b) The Hotel Division of the company in Maharashtra used the IT platform owned and managed by the IT Division of the company in Delhi. The value of such services was determined as ₹ 12 lakh per month. The IT division treated the same as deemed supply liable to GST as per Schedule I of the CGST Act, 2017 and charged GST on such deemed supply in the invoice issued to Hotel Division on 25th April. The Hotel Division availed the input tax credit of such deemed supplies from its Maharashtra Office in April itself. However, no payment was made for such services by the Hotel Division to the IT Division.
- (c) The Executive Director, as part of his salary and perquisites under the employment agreement, was eligible for a voucher worth ₹ 5 lakh, redeemable at any hotel property of the company in India. The voucher was used by the Executive Director for the stay of his family in a company owned hotel in Udaipur, Rajasthan. The total amount charged from the Executive Director was ₹ 25 lakh. The voucher value of ₹ 5 lakh was deducted from such amount at the time of payment.
- (d) The Hotel Division provided accommodation services to a US citizen and resident for a wedding ceremony organized at its hotel in Udaipur, Rajasthan. The total amount of ₹ 2 crores for such services was paid by an

Indian individual residing in Delhi on behalf of the US resident in Indian currency. The amount was received by the Mumbai, Maharashtra Office of Hotel Division.

- (e) The company received long term lease of an industrial plot from Maharashtra Industrial Development Corporation (MIDC) in auction against payment of an upfront amount as lease premium of ₹ 20 crores for a period of 50 years. The company paid location charges of ₹ 5 crores in addition to the said premium.

The rate of GST in case of intra-State supplies, unless otherwise provided shall be 9% CGST and 9% SGST) and for inter-State supplies shall be 18% IGST. All the divisions of the Company are eligible for 100% input tax credit unless otherwise specified.

Based on the facts of the case scenario given above, choose the most appropriate answer to Q. Nos. 1 to 5 below:-

MULTIPLE CHOICE QUESTIONS

1. Which of the following statements is correct in respect of the services related to usage of vacant godown?
 - (a) The Hotel Division shall charge CGST and SGST amounting to ₹ 45,000 each in the tax invoice issued to FMCG Division.
 - (b) No GST is chargeable on usage of vacant godown of Hotel Division.
 - (c) The Hotel Division shall charge IGST amounting to ₹ 90,000 in the tax invoice issued to FMCG Division.
 - (d) The Hotel Division, Rajasthan shall charge IGST amounting to ₹ 90,000 in the tax invoice issued to Corporate Office in Delhi.
2. Assuming that the payment for utilization of IT platform has not been made by the Hotel Division to the IT Division till the end of October month of the current financial year, the Hotel Division:
 - (a) should reverse the input tax credit so availed while filing Form GSTR-3B of the October month.

-
- (b) need not reverse the input tax credit so availed in Form GSTR-3B of the October month.
 - (c) should have availed the input tax credit only after the end of the current financial year and not in April.
 - (d) should not have availed the input tax credit in respect of said transaction as the same is deemed supply under Schedule I of the CGST Act, 2017.
3. In relation to the stay of Executive Director's family in the company owned hotel in Udaipur, Rajasthan, value of supply of accommodation services provided by the Hotel Division is:
- (a) ₹ 25 lakh
 - (b) ₹ 20 lakh
 - (c) Supply of services by employer to employee is not a taxable supply under GST.
 - (d) ₹ 5 lakh
4. For the accommodation services provided to the US resident and citizen, the place of supply shall be:
- (a) Udaipur
 - (b) Delhi
 - (c) Mumbai
 - (d) USA
5. In respect of the long-term lease of the industrial plot received from Maharashtra Industrial Development Corporation (MIDC),
- (a) upfront lease premium of ₹ 20 crores is exempt. However, the location charges of ₹ 5 crore are liable to GST.

 - (c) GST is exempt on the entire premium of ₹ 25 crores including location charges.
 - (d) GST is payable on the entire upfront premium of ₹ 25 crores including location charges.

ANSWERS TO MULTIPLE CHOICE QUESTIONS

1. **Option (b)** No GST is chargeable on usage of vacant godown of Hotel Division

Reason

The transaction is between two divisions of the company within the same State i.e. Rajasthan. As the company has single registration in Rajasthan, there is no underlying supply and consequently, no GST is not payable.

2. **Option (b)** need not reverse the input tax credit so availed in Form GSTR-3B of the October month.

Reason

The time limit of 180 days is not applicable in case of deemed supply under Schedule I of the CGST Act, 2017 [Second proviso to section 16(2) read with rule 37].

3. **Option (a)** ₹ 25 lakh

Reason

The services provided by the Hotel Division is for ₹ 25 lakh. The voucher was used only as a payment mechanism and there is no supply of voucher in such transaction.

4. **Option (a)** Udaipur

Reason

The place of supply for accommodation services shall be location of the hotel, viz. Udaipur, in terms of section 13(4) of the IGST Act, 2017 irrespective of the fact that the service recipient is located outside India.

5. **Option (c)** GST is exempt on the entire premium of ₹ 25 crores including location charges.

Reason

As per Entry 41 of *Notification No. 12/2017 Central Tax (Rate) dated 28.06.2017*, upfront amount (called as premium, salami, cost, price, development charges or by any other name) payable in respect of service

by way of granting of long term lease of thirty years, or more) of industrial plots or plots for development of infrastructure for financial business, provided by the State Government Industrial Development Corporations or Undertakings or by any other entity having 20% or more ownership of Central Government, State Government, Union territory to the industrial units or the developers in any industrial or financial business area]

Circular No. 177/09/2022 GST dated 03.08.2022 has clarified that location charges or preferential location charges (PLC) paid upfront in addition to the lease premium for long term lease of land constitute part of upfront amount charged for long term lease of land and are eligible for the same tax treatment, and thus, are eligible for exemption under Entry 41.

CASE SCENARIO 31

Vlook Smart Ltd. (hereinafter referred as "company") is a leading retail chain of India. It has retail stores in multiple States with its corporate office located in Mumbai, Maharashtra. The company has GST registrations across all States from where it operates its retail stores. The company undertook following transactions during the month of April:

- (a) Supplied goods worth ₹ 100 crore through its retail store in Jaipur, Rajasthan and offered a cash discount of ₹ 2 crore to the customers in the State of Rajasthan during the month.
- (b) Ghanshyam Das, a retailer in Gujarat, purchased goods worth ₹ 5 lakh in the month of January of the preceding financial year. Subsequently, the company offered an incentive (discount) on such purchases to Ghanshyam Das by issuing a commercial credit note of ₹ 50,000 in the month of April.
- (c) The company received an amount of ₹ 2 crore in April as penalty for delayed receipt of consideration from its customers for sale of goods made in the month of January of the preceding financial year in the retail store of Jaipur, Rajasthan.
- (d) The company incurred an expense of ₹ 50 lakh in transportation of empty cargo containers to its centralized warehouse in Mumbai from all the States through a Goods Transport Agency.

The rates of GST, unless otherwise specified, shall be 9% CGST, 9% SGST and 18% IGST. All the divisions of the company are eligible for 100% input tax credit unless otherwise specified.

Based on the facts of the case scenario given above, choose the most appropriate answer to Q. Nos. 1 to 4 below:-

MULTIPLE CHOICE QUESTIONS

- 1. The value of supply on which GST is payable for the month of April for the Rajasthan State is:
 - (a) ₹ 96 crore
 - (b) ₹ 100 crore

-
- (c) ₹ 98 crore
- (d) ₹ 102 crore
2. In relation to the incentive paid to Ghanshyam Das in Gujarat,
- (a) the company shall reverse proportionate input tax credit.
- (b) there is no GST implication on the company and Ghanshyam Das.
- (c) Ghanshyam Das shall reverse the input tax credit availed on the purchase.
- (d) the company shall reduce the tax liability and Ghanshyam Das shall increase the tax liability for the month of April.
3. The tax on penalty received on account of delayed payment of consideration of ₹ 2 crore is payable at the time of filing return of _____.
- (a) April
- (b) January
- (c) Either April or January at the option of the company
- (d) No tax is payable on the penalty received on account of delayed payment of consideration.
4. For the empty cargo containers transported to Mumbai warehouse,:
- (a) e-way bill shall be issued by respective dispatch locations of the company.
- (b) e-way bill shall be issued by the warehouse location in Mumbai.
- (c) no e-way bill is required to be issued.
- (d) e-way bill shall be issued by the Goods Transport Agency.

ANSWERS TO MULTIPLE CHOICE QUESTIONS

1. **Option (b)** ₹ 100 crore

Reason

The total sale of goods in April was ₹ 100 crore. The amount of cash discount of ₹ 2 crore shall be deductible as per section 15 and accordingly, the same shall be reduced from the total sales value. Further, the penalty for delayed payment of ₹ 2 crore received in April shall also be includible in value of supply and taxable in the month of April. Thus, value of supply will be:

= ₹ 100 crore - ₹ 2 crore (cash discount) + ₹ 2 crore (penalty for delayed payment)

= ₹ 100 crore

2. **Option (b)** there is no GST implication on the company and Ghanshyam Das.

Reason

As per section 15(3):

the value of the supply shall not include any discount which is given—

- (a) before or at the time of the supply if such discount has been duly recorded in the invoice issued in respect of such supply; and
- (b) after the supply has been effected, if—
 - (i) such discount is established in terms of an agreement entered into at or before the time of such supply and specifically linked to relevant invoices; and
 - (ii) input tax credit as is attributable to the discount on the basis of document issued by the supplier has been reversed by the recipient of the supply.

Since Ghanshyam Das is offered the discount through a commercial credit note subsequent to the time of supply of goods sold in January, provisions of section 15(3) are not applicable. Resultantly, there is no GST implication on the company and Ghanshyam Das.

3. Option (a) April**Reason**

As per section 12(6), the time of supply to the extent it relates to an addition in the value of supply by way of interest, late fee or penalty for delayed payment of any consideration shall be the date on which the supplier receives such addition in value. Thus, the tax on penalty of ₹ 2 crore received on account of delayed payment of consideration is payable at the time of filing return of April. Thus, time of supply falls in the month of April.

4. Option (b) no e-way bill is required to be issued.**Reason**

As per rule 138(14), no e-way bill is required to be generated in case where empty cargo containers are being transported.

CASE SCENARIO 32

SR Associates is a partnership firm registered under GST in the State of Rajasthan. In the month of July, the following transactions were made by SR Associates:

- (a) Purchase of commodity X on 1st July from a registered person for an amount of ₹ 5,00,000 at the rate of ₹ 1000 per tonne from the open market. The said commodity was deposited in the warehouse of NCDEX Ltd. (an agricultural commodity exchange) in Rajasthan as a security against transactions entered by SR Associates on the same day. Commodities of other vendors are also being kept in said warehouse.
- (b) In order to hedge the aforesaid transaction, on 1st July, SR Associates undertook a derivative sale transaction in futures contract for the month of August at NCDEX at the rate of ₹ 1,100 per tonne.
- (c) SR Associates took subscription for an AI (Artificial Intelligence) based platform from an unrelated party, ABC Inc (a company based in US) to get real time updates on the pricing of commodity X in the international market. ABC Inc charged ₹ 50,000 for such subscription. The invoice was issued to SR Associates on 1st July, but the payment was made to ABC Inc on 20th August.
- (d) NCDEX (registered under GST) charges rent from SR Associates at the rate of ₹ 10,000 per month and service charges at the rate of ₹ 20,000 per month.
- (e) On the date of expiry of future contract of the month of August, i.e. 31st August for commodity X, the rate of commodity X was ₹ 900 per tonne. SR Associates squared off the contract (without physical delivery) for the month of August at the same rate.
- (f) NCDEX charged brokerage on the transactions (both purchase and sale of derivative contract separately) at the rate of ₹ 5,000 per contract from SR Associates in the month when such transaction was entered and when such transaction was squared off.
- (g) On the purchase of commodity X, additional levy in form of Mandi Tax was applicable at the rate of ₹ 10 per tonne which is not included in the rate per tonne mentioned at point (a) above.

All the amounts given above are exclusive of GST, wherever applicable, unless otherwise mentioned. The opening balance of input tax credit for the relevant tax period of SR Associates is Nil. Subject to the information given above, assume that all the other conditions necessary for availing ITC have been fulfilled.

Assume that there is no other outward or inward supply transaction apart from aforesaid transactions, in the months of July and August.

GST is applicable in the aforesaid case scenario at the following rates unless otherwise specified:

- I. Intra-State supply – 9% CGST and 9% SGST
- II. Inter-State supply – 18% IGST

Based on the facts of the case scenario given above, choose the most appropriate answer to Q. Nos. 1 to 4 below:-

MULTIPLE CHOICE QUESTIONS

1. Compute the taxable value of inward supply of commodity X for SR Associates in the month of July.
 - (a) ₹ 5,00,000
 - (b) ₹ 5,50,000
 - (c) ₹ 5,55,000
 - (d) ₹ 5,05,000
2. Compute the value of outward supply made by SR Associates in the month of August.
 - (a) Nil
 - (b) ₹ 5,55,000
 - (c) ₹ 5,60,000
 - (d) ₹ 5,00,000
3. What is the time of supply for subscription of AI based platform by SR Associates?
 - (a) July 1
 - (b) August 31

- (c) August 20
 - (d) July 31
4. Compute the net GST payable in cash by SR Associates for the month of August.
- (a) Nil
 - (b) ₹ 2,700
 - (c) ₹ 81,000
 - (d) ₹ 9,000

ANSWERS TO MULTIPLE CHOICE QUESTIONS

1. **Option (d)** ₹ 5,05,000

Reason

Computation of the taxable value of inward supply of commodity X for SR Associates in the month of July:

As per section 15, the value of supply shall include any taxes, duties, cesses, fees and charges levied under any law for the time being in force other than CGST Act, the SGST Act, the UTGST Act and the GST (Compensation to States) Act, if charged separately by the supplier.

Accordingly, the taxable value of inward supply of commodity X for SR Associates in the month of July would be:

Purchase price (500 tonne × ₹ 1,000/tonne)	= ₹ 5,00,000
Add: Mandi Tax (500 tonne × ₹ 10/tonne)	= ₹ <u>5,000</u>
Taxable value of inward supply	= ₹ <u>5,05,000</u>

2. **Option (a)** Nil

Reason

A derivative security contract is covered with the definition of "securities" as per section 2(101). As 'derivatives' fall in the definition of securities, they are neither goods nor services. Since futures contracts (settled without physical delivery) are in the nature of derivatives, they qualify as 'securities' and thus, are not subject to GST. Since in the given scenario,

SR Associates squared off the derivative contract position in August (without physical delivery), it is not a supply. Thus, value of outward supply made by SR Associates in the month of August is Nil.

3. Option (c) August 20

Reason

Since, SR Associates is a registered entity, subscription of AI based platform from located outside India shall be treated as import of service and liable to GST under reverse charge under section 5(3) of the IGST Act, 2017 vide *Notification No. 10/2017 IT (R) dated 28.06.2017*.

As per section 13(3), the time of supply in case of services taxable under reverse charge shall be earlier of:

- Date of payment as entered in books (August 20)
- Date of debit in bank account (August 20)
- 61st day from the date of invoice issuance by supplier (August 31)

Thus, the time of supply is August 20.

4. Option (d) ₹ 9,000

Reason

Total GST payable on outward supply = Nil

(Value of outward supply as computed in MCQ 2 is Nil)

Add: GST to be paid under reverse charge on
AI based platform subscription in cash

(₹50,000 × 18%) = ₹ 9,000

Net GST payable in cash for August = ₹ 9,000

Note: ITC of rent charges, services charges and brokerage charged by NCDEX is available, but same cannot be utilized for payment of GST liability under reverse charge as the same has to be paid in cash only.

- (c) ₹ 25 crores
- (d) ₹ 50 crores

ANSWERS TO MULTIPLE CHOICE QUESTIONS

1. **Option (b)** Kolkata office ₹ 10,000, Mumbai office ₹ 3,660

Reason

As per rule 32(2)(a), the value of supply of services in relation to the purchase or sale of foreign currency, is determined as follows:-

For a currency, when exchanged from, or to, Indian Rupees, the value shall be equal to the difference in the buying rate or the selling rate, as the case may be, and the Reserve Bank of India reference rate for that currency at that time, multiplied by the total units of currency.

However, in case where the Reserve Bank of India reference rate for a currency is not available, the value shall be one percent of the gross amount of Indian Rupees provided or received by the person changing the money.

Accordingly, the value of taxable supply in respect of sale and purchase of foreign currency by Kolkata office and Mumbai office of the company as per rule 32(2)(a) would be computed as given below:

$$(1) \quad \text{Kolkata office} = 10,000 \times ₹ (74-73) = ₹ 10,000$$

$$(2) \quad \text{Mumbai office} = (5,000 \times ₹ 73.20) \times 1\% = ₹ 3,660$$

So, value of supply in this case would be as follows:

Kolkata office - ₹ 10,000

Mumbai office - ₹ 3,660.

2. **Option (c)** ₹ 40,000

Reason

Following is the value of taxable inward supply received by Mumbai office in the month of September on which tax is payable under reverse charge is:

Particulars	₹
Legal fee paid to Mr. Sundaram – an advocate	15,000
[Tax on legal services provided by an individual advocate to	

any business entity with an aggregate turnover exceeding such amount in the preceding FY as makes it eligible for exemption from registration under the CGST Act, 2017 is payable under reverse charge under section 9(3) vide <i>Notification No. 13/2017 CT (R) dated 28.06.2017</i>]	
Payment made for security services from M/s X & Co., a partnership firm, registered under GST [Tax on security service provided by a person other than body corporate to a registered person is payable under reverse charge under section 9(3) vide <i>Notification No. 13/2017 CT (R) dated 28.06.2017.</i>]	25,000
Total value of inward supply taxable under reverse charge	40,000

3. Option (a) ₹ 1,78,000

Reason

Following is the value of taxable outward supply made by Kolkata office in the month of September on which Disha Enterprise Pvt Ltd. is liable to pay tax under forward charge:

Particulars	₹
Commission received as DSA from ICIDI Bank for opening bank account/credit card & loan products (Since DSA (Disha Enterprise Pvt Ltd.) is not an individual, tax is payable by it under forward charge.)	48,000
Professional fee received for the formation of a company/ LLP/ society (₹ 80,000-₹ 15,000) (Fee of ₹15,000 reimbursed by the client will be excluded since the same has been incurred as a pure agent, in terms of rule 33.)	65,000
Professional fee received for GST/TDS/ROC return filing	65,000
TOTAL	1,78,000

4. Option (d) ₹ 50 crores**Reason**

Section 107(6) provides that no appeal shall be filed before the Appellate Authority, unless the appellant has paid—

- (a) full amount of tax, interest, fine, fee and penalty arising from the impugned order, as is admitted by him; and
- (b) a sum equal to 10% of the remaining amount of tax in dispute arising from the impugned order in relation to which the appeal has been filed, subject to a maximum of ₹ 25 crore (₹ 50 crore in case of IGST*).

** As per section 20 of the IGST Act, 2017*

Accordingly, amount of pre-deposit that Disha Enterprise Pvt. Ltd. has to deposit under the IGST Act, 2017 for filing of an appeal before the Appellate Authority is ₹ 50 crores (since 10% of disputed IGST amount is ₹60 crores).

ANSWERS TO MULTIPLE CHOICE QUESTIONS

1. **Option (d)** on Aspire Solutions under reverse charge and GST of ₹ 9,18,000 shall be paid by Aspire Solutions.

Reason

Online Information Database Access and Retrieval services (OIDAR) is a category of services provided through the medium of internet and received by the recipient online; such services cannot be rendered in the absence of information technology [Section 2(17) of the IGST Act, 2017]. Supply of cloud services provided to Aspire Solutions is covered under the purview of OIDAR services in terms of section 2(17) of the IGST Act, 2017.

Further, in case of supply of OIDAR services by the supplier of OIDAR service located outside India to a registered recipient located in India - the place of supply would be India [Section 13(2) of the IGST Act, 2017] and the transaction would be amenable to tax under reverse charge (if the recipient is a business entity) under section 5(3) of the IGST Act, 2017 vide *Notification No. 10/2017 IT (R) dated 28.06.2017*. Thus, Aspire Solutions is liable to discharge such GST liability under reverse charge and not Bizcart.com.

Further, the amount of GST payable @ 18% of ₹ 51,00,000 under reverse charge by Aspire Solutions is ₹ 9,18,000.

- 2. Option (a)** Sitting fees paid to the directors is liable to GST under reverse charge and the salary paid to executive directors shall not be liable to GST.

Reason

Services provided by a director as or in the capacity of director of that company or body corporate shall be taxable under reverse charge mechanism in the hands of the company or body corporate. However, the part of director's remuneration which are declared as Salaries in the books of a company and subjected to TDS under section 192 of the Income-tax Act (IT Act), are not taxable being consideration for services by an employee to the employer in the course of or in relation to his employment in terms of Para 1 of Schedule III. Sitting fee payable to a director is liable to GST under reverse charge basis in the hands of company [*Circular No. 140/10/2020 GST dated 10.06.2020* read with *Circular No. 201/13/2023 GST dated 01.08.2023*].

Accordingly, in the given case, sitting fee paid to the directors is liable to GST under reverse charge in the hands of Aspire Solutions and the salary paid to executive directors shall not be liable to GST.

- Choose the most appropriate answer.
- (a) Only (ii) and (iii)
 (b) Only (ii)
 (c) Only (i) and (iii)
 (d) Only (iii)

ANSWERS TO MULTIPLE CHOICE QUESTIONS

1. **Option (a)** ₹ 6,50,000

Reason

Computation of the taxable value of supply for the month of April on which tax is payable by Rishi

Particulars	Amount (₹)
Taxable supply of goods	4,00,000

Insurance agent service to Suraksha Insurance Company [Tax is payable by Suraksha Insurance Company under reverse charge.]	Nil
Interest received for late payment from various customers [Time of supply to the extent it relates to an addition in the value of supply by way of interest, late fee or penalty for delayed payment of any consideration shall be the date on which the supplier receives such addition in value.]	10,000
Recovery agent service to ABC Limited, a trader of goods [Tax is payable under forward charge since service is not being provided to a banking company/ financial institution or a non-banking financial company.]	40,000
Security and housekeeping service provided to Bachpan School [Taxable, since security and house-keeping services provided to an educational institution are exempt only when such services are performed in said educational institution. Further, tax is payable under forward charge]	50,000
Renting of motor vehicle designed to carry passenger provided to M Sea Limited wherein cost of fuel is included (applicable rate of tax - CGST @ 2.50% and SGST 2.50%) [Tax is payable by M Sea Limited under reverse charge.]	Nil
Taxable supplies of goods to PSU	1,50,000
Taxable value of supply for the month of April in on which tax is payable by Rishi	6,50,000

2. Option (b)**Reason**

The supply between Rishi (Karnataka) and PSU (Tamil Nadu) is a bill to ship to supply where the goods are delivered by the supplier [Rishi] to the recipient in Karnataka on the direction of a third person [PSU].

In case of such supply, it is deemed that the said third person has received the goods and the place of supply of such goods is the principal place of business of such third person [Section 10(1)(b)]. Thus, the place of supply between Rishi (Karnataka) and PSU (Tamil Nadu) will be location of third person (PSU), i.e. Tamil Nadu. Thus, it is an inter-State supply and IGST is payable on the same.

Further, as per section 51, the PSU shall deduct tax @ 2% (IGST) from the payment made or credited to Rishi of ₹ 1,50,000 since the total value of such supply under the contract exceeds ₹ 2,50,000. Thus, TDS of ₹ 3,000 is to be deducted by PSU.

3. Option (b) Only (ii)**Reason**

- (i) Insurance agent service to Suraksha Insurance Company, registered under GST. Tax is payable by Suraksha Insurance Company under reverse charge since tax on services supplied by an insurance agent to any person carrying on insurance business is payable under reverse charge.
- (ii) Renting of motor vehicle designed to carry passengers provided to M Sea Limited wherein cost of fuel is included (applicable rate of tax - CGST @ 2.50% and SGST 2.50%). Tax is payable by M Sea Limited under reverse charge since tax on services provided by way of renting of any motor vehicle designed to carry passengers where the cost of fuel is included in the consideration charged from the service recipient, provided to a body corporate are taxable under reverse charge.
- (iii) Recovery agent service to ABC Limited, a trader of goods. Tax is payable under forward charge since service is not being provided to a banking company/ financial institution or a non-banking financial company.
