A clarification has been issued by the MCA on **21st August, 2019** regarding section 232(6). According to the clarification,

- (a) The provision of section 232(6) of the Act enables the companies in question to choose and state in the scheme an 'appointed date'. This date may be a specific calendar date or may be tied to the occurrence of an event such as grant of license by a competent authority or fulfilment of any preconditions agreed upon by the parties, or meeting any other requirement as agreed upon between the parties, etc., which are relevant to the scheme.
- (b) The 'appointed date' identified under the scheme shall also be deemed to be the 'acquisition date' and date of transfer of control for the purpose of conforming to accounting standards (including Ind-AS 103 Business Combinations).
- (c) Where the 'appointed date' is chosen as a specific calendar date, it may precede the date of filing of the application for scheme of merger/amalgamation in NCLT. However, if the 'appointed date' is significantly ante-dated beyond a year from the date of filing, the justification for the same would have to be specifically brought out in the scheme and it should not be against public interest.
- (d) The scheme may identify the 'appointed date' based on the occurrence of a trigger event which is key to the proposed scheme and agreed upon by the parties to the scheme. This event would have to be indicated in the scheme itself upon occurrence of which the scheme would become effective. However, in case of such event based

date being a date subsequent to the date of filing the order with the Registrar under section 232(5), the company shall file an intimation of the same with the Registrar within 30 days of such scheme coming into force.

Answers to Descriptive Questions

16. (a) According to Section 161(2) of the Companies Act, 2013, the Board of Directors of a company may, if so authorised by its articles or by a resolution passed by the company in general meeting, appoint a person, not being a person holding any alternate directorship for any other director in the company or holding directorship in the same company, to act as an alternate director for a director during his absence for a period of not less than three months from India.

According to section 165, no person shall hold office as a director, including any alternate directorship, in more than twenty companies at the same time. However, the maximum number of public companies in which a person can be appointed as a director shall not exceed ten.

Hence, in the instant case, a person can be appointed as an alternate director for only one director in the same company but maximum twenty different companies.

- (b) According to second proviso to section 161(2), an alternate director shall not hold office for a period longer than that permissible to the director in whose place he has been appointed and shall vacate the office if and when the director in whose place he has been appointed returns to India.

Third proviso says that if the term of office of the original director is determined before he so returns to India, any provision for the automatic re-appointment of retiring directors in default of another appointment shall apply to the original, and not to the alternate director.

Hence, in the instant case, the alternate director shall hold office till the time original director returns to India.

- (c) As per section 161(2), the Board of Directors of a company may, if so authorised by its articles or by a resolution passed by the company in general meeting, appoint a person, not being a person holding any alternate directorship for any other director in the company or holding directorship in the same company, to act as an alternate director for a director during his absence for a period of not less than three months from India.

From the above provision, it is clear that an alternate director can be appointed for any director by the board of directors and not by an Executive Director/Whole Time Director/Managing Director for themselves.

17. International Technologies Limited, a listed company, being managed by a Managing Director proposes to pay the following managerial remuneration:

- (i) Commission at the rate of 5% of the net profits to its Managing Director, Mr. Kamal: Part (i) of the Second Proviso to Section 197(1), provides that except with the approval of the company in general meeting by a special resolution, the remuneration payable to any one managing director or whole time director or manager shall not

exceed 5% of the net profits of the company and if there is more than one such director then remuneration shall not exceed 10% of the net profits to all such directors and manager taken together.

In the present case, since the International Technologies Limited is being managed by a Managing Director, the commission at the rate of 5% of the net profit to Mr. Kamal, the Managing Director is allowed and no approval of company in general meeting is required.

- (ii) The directors other than the Managing Director are proposed to be paid monthly remuneration of ₹ 50,000 and also commission at the rate of 1 % of net profits of the company subject to the condition that overall remuneration payable to ordinary directors including monthly remuneration payable to each of them shall not exceed 2 % of the net profits of the company. Part (ii) of the Second Proviso to Section 197(1) provides that except with the approval of the company in general meeting by a special resolution, the remuneration payable to directors who are neither managing directors nor whole time directors shall not exceed-
- (A) 1% of the net profits of the company, if there is a managing or whole-time director or manager;
- (B) 3% of the net profits in any other case.

In the present case, the maximum remuneration allowed to directors other than managing or whole-time director is 1% of the net profits of the company because the company is managed by a managing director. Hence, if the company wants to fix directors' remuneration at not more than 2% of the net profits of the company, the approval of the company in general meeting is required by passing a special resolution.

18. According to Section 423 of the Companies Act, 2013, any person aggrieved by an order of the Appellate Tribunal may prefer an appeal to the Supreme Court.

Every appeal shall be filed within a period of 60 days from the date on which a copy of the order of the Appellate Tribunal is made available to the person aggrieved and shall be in such form, and accompanied by such fees, as may be prescribed.

Supreme Court may entertain an appeal even after the expiry of the said period of 60 days from the date aforesaid, but within a further period not exceeding 60 days, if it is satisfied that the appellant was prevented by sufficient cause from filing the appeal within period.

In above case, since Mr. Rama even aggrieved by an order of Appellate Tribunal desires to fill an application before Supreme Court on 30th October 2020. But as Supreme Court can entertain appeal only upto 60 days + 60 Days (Extension if sufficient cause). Since this appeal was to be filed beyond 120 days by Mr. Rama, so, appeal to be filed before the Supreme Court will not be admissible.

19. (i) Section 5(1) of the Securities Contracts (Regulations) Act, 1956 states that if the Central Government/ SEBI is of the opinion that the recognition granted to a stock exchange under the provisions of this Act, should, in the interest of the trade or in the public interest, be withdrawn, the Central Government or SEBI may serve on the governing body of the stock exchange, a written notice that the Central Government or SEBI is considering the withdrawal of the recognition for the reasons stated in the notice and after giving an opportunity to the governing body to be heard in the matter, the Central Government/SEBI may withdraw the recognition granted to the stock exchange.

Thus, Central Government or SEBI can withdraw the recognition of 'X' Stock Exchange Limited on the grounds that their activities were against the interest of the trade and general public.

- (ii) As per section 19 of the Securities Contracts (Regulations) Act, 1956, no person shall organise or assist in organising or be a member of any stock exchange (other than a recognised stock exchange) for the purpose of assisting in, entering into or performing any contracts in securities, except with the approval of Central Government or SEBI.

Hence, no person can be a member of an unrecognised Stock exchange for the purpose of performing any contracts in Securities, except with the approval of Central Government or SEBI.

20. As per section 130 of the Companies Act, 2013, a company shall not re-open its books of account and not recast its financial statements, unless an application in this regard is made by the Central Government, the Income-tax authorities, the Securities and Exchange Board, any other statutory body or authority or any person concerned and an order is made by a court of competent jurisdiction or the Tribunal to the effect that—

the relevant earlier accounts were prepared in a fraudulent manner; or

the affairs of the company were mismanaged during the relevant period, casting a doubt on the reliability of financial statements:

However, no order shall be made in respect of re-opening of books of account relating to a period earlier than eight financial years immediately preceding the current financial year.

In the given instance, an application was filed for re-opening and re-casting of the financial statements of Chetan Ltd. for the financial year 2008-2009.

Though application filed by the Income Tax Authorities to NCLT is valid, its recommendation for reopening and recasting of financial statements for the period earlier than eight financial years immediately preceding the current financial year i.e. 2019-2020, is invalid.

- 21. Vesting of property in Central Government [Section 9]:** Where an order of confiscation has been made under section 8(5) or section 8(7) or section 58B or section 60(2A) of PMLA, 2002 in respect of any property of a person, all the rights and title in such property shall vest absolutely in the Central Government free from all encumbrances.

However, where the Special Court or the Adjudicating Authority, as the case may be, after giving an opportunity of being heard to any other person interested in the property attached under this Chapter, or seized or frozen, is of the opinion that any encumbrance on the property or lease-hold interest has been created with a view to defeat the provisions of this Chapter, it may, by order, declare such encumbrance or lease-hold interest to be void and thereupon the aforesaid property shall vest in the Central Government free from such encumbrances or lease-hold interest.

In the instant case, Mr. Kunal used his car for smuggling cash and for other illegal activities for committing of an offence under the purview of the Prevention of Money Laundering Act. The Special Court found on conclusion of trial that an offence of money laundering was committed by Mr. Kunal. The car was under hypothecation with the bank for the car loan obtained. As the encumbrance on the car has been created to defeat the provisions and special court may order to declare such encumbrance to be void and therefore the car can be confiscated and shall vest in the Central Government.

- 22.** According to section 22 of the Insolvency and Bankruptcy Code, 2016, the first meeting of the committee of creditors shall be held within seven days of the constitution of the committee of creditors. The committee of creditors in the first meeting may by a majority vote of not less than sixty-six percent of the voting share of the financial creditors, either resolve to appoint the interim resolution professional as a resolution professional or to replace the interim resolution professional by another resolution professional.

A meeting of committee of creditors shall quorate if members of the committee of creditors representing at least thirty three percent of the voting rights are present either in person or by video/audio means.

The adjourned meeting shall quorate with the members of the committee attending the meeting.

As per the facts of the question and the provisions of law, the requisite quorum was present in the meeting as all 40 financial creditors attended the meeting and 5 abstained from voting.

The Act requires that not less 66% of the financial creditors shall resolve to appoint resolution professional. However, in the given case 71.4% $[(25/35) * 100]$ voted in favour of Mr. Naveen. Hence, the said appointment is valid.

- (i) It is a current account transaction, where M is required to take approval of the Central Government for drawal of foreign exchange for remittance of hire charges of transponders.
 - (ii) Withdrawal of foreign exchange for payment related to call back services of telephone is a prohibited transaction. Hence, Mr. P will not succeed in acquiring US \$ 2,000 for the said purpose.
24. As per Section 5(5) of the Prevention of Money Laundering Act, 2002, the Director or any other officer who provisionally attaches any property under sub-section (1) shall, within a period of thirty days from such attachment, file a complaint stating the facts of such attachment before the Adjudicating Authority.

As per Section 8(4) of the Prevention of Money Laundering Act, 2002, where the provisional order of attachment made under sub-section (1) of section 5 has been confirmed under sub-section (3), the Director or any other officer authorised by him in this behalf shall forthwith take the possession of the property attached under section 5 or frozen under sub-section (IA) of section 17, in such manner as may be prescribed.
