1. (a) As per Section 161(2) of the Companies Act, 2013, the Board of Directors of a company may, if so authorised by its articles or by a resolution passed by the company in general meeting, appoint a person, not being a person holding any alternate directorship for any other director in the company, to act as an alternate director for a director during his absence for a period of not less than three months from India.

Provided that no person shall be appointed as an alternate director for an independent director unless he is qualified to be appointed as an independent director under the provisions of this Act.

Provided further that an alternate director shall not hold office for a period longer than that permissible to the director in whose place he has been appointed and shall vacate the office if and when the director in whose place he has been appointed returns to India.

Provided also that if the term of office of the original director is determined before he so returns to India, any provision for the automatic re-appointment of retiring directors in default of another appointment shall apply to the original, and not to the alternate director.

In the above question, Mr. Ramakant was going abroad for personal cause related to family issue related to his daughter, does not effect on the appointment of alternate director. Even if Mr. Subh does not satisfy the eligibility criteria to become Independent Director of SIL, it does not affect his appointment as an Alternate Director because Mr. Ramakant, the original director is also not an Independent Director. Since Mr. Ramakant has returned to India within 2 months before his scheduled arrival, Mr. Subh shall vacate the office on return of the Mr. Ramakant (Original Director) to India.

Therefore, Mr. Subh can be appointed as alternate director of SIL and he shall vacate his office on returning of Mr. Ramakant to India. The alternate director, Mr. Subh, shall not be included in the "total number of directors" for the purpose of section 152(6) as alternate director is holding a alternate directorship in place of the Mr. Ramakant, he has been so appointed. Further as per the above provisos given under section 161(2), it is clearly stated that if the term of office of the original director is determined before he so returns to India, any provision for the automatic re-appointment of retiring directors in default of another appointment shall apply to the original, and not to the alternate director. For this very purpose, the Mr. Subh, will not be included in the "total number of directors" as rotational director under section 152(6) of the Companies Act, 2013.

- (b) As per Section 203(3) of the Companies Act, 2013, a Whole-Time Key Managerial Personnel shall not hold office in more than one company except in its subsidiary company at the same time.

Provided that nothing contained in this sub-section shall disentitle a Key Managerial Personnel from being a director of any company with the permission of the Board.

Provided also that a company may appoint or employ a person as its managing director, if he is the managing director or manager of one, and of not more than one, other company and such appointment or employment is made or approved by a resolution passed at a meeting of the Board with the consent of all the directors present at the meeting and of which meeting, and of the resolution to be moved thereat, specific notice has been given to all the directors then in India.

In the above question, Mr. Ram cannot be appointed as Whole-time Director in Raja Ltd. because Raja Ltd. is not the subsidiary company of GIL. Mr. Mohan can be appointed as Managing Director in Raja Ltd. if all the conditions specified in section 203(3) are complied with.

Therefore, Mr. Ram cannot be appointed as Whole-time Director in Raja Ltd. whereas Mr. Mohan can be appointed as Managing Director in Raja Ltd. with the unanimous resolution being passed at the Board Meeting.

Where, if the office of Mr. Ram is vacated on 1<sup>st</sup> September 2020, the resulting vacancy shall be filled-up by the Board at a meeting of the Board within a period of six months from the date of such vacancy i.e. latest by 31<sup>st</sup> March, 2021.

2. (a) (a) As per Section 218 of the Companies Act, 2013, if during the course of any investigation of the affairs and other matters of or relating to a company, other body corporate or person under section 210, section 212, section 213 or section 219 or of the membership and other matters of or relating to a company, or the ownership of shares in or debentures of a company or body corporate, or the affairs and other matters of or relating to a company, other body corporate or person, under section 216; or
- (b) during the pendency of any proceeding against any person concerned in the conduct and management of the affairs of a company under Chapter XVI,
- such company, other body corporate or person proposes—
- (i) to discharge or suspend any employee; or

- (ii) to punish him, whether by dismissal, removal, reduction in rank or otherwise; or
- (iii) to change the terms of employment to his disadvantage, the company, other body corporate or person, as the case may be,

shall obtain approval of the Tribunal of the action proposed against the employee and if the Tribunal has any objection to the action proposed, it shall send by post notice thereof in writing to the company, other body corporate or person concerned.

**Where if, no objection is received:** If the company, other body corporate or person concerned does not receive within 30 days of making of application, the approval of the Tribunal, then and only then, the company, other body corporate or person concerned may proceed to take against the employee, the action proposed.

**Where if objection is received:** If the company, other body corporate or person concerned is dissatisfied with the objection raised by the Tribunal, it may, within a period of thirty days of the receipt of the notice of the objection, prefer an appeal to the Appellate Tribunal in such manner and on payment of such fees as may be prescribed.

**Order of Appellate Tribunal:** The decision of the Appellate Tribunal on such appeal shall be final and binding on the Tribunal and on the company, other body corporate or person concerned.

In the above question, since the Doomed Ltd. have received the objection of the Tribunal within 30 days from the date of making application, so Doomed Ltd. can prefer an appeal against the order of the Tribunal to the Appellate Tribunal within 30 days. No further appeal can be preferred against the order of the Appellate Tribunal by the company or the employee concerned.

Therefore, Doomed Limited can prefer an appeal against the order of objection of Tribunal within 30 days to the Appellate Tribunal and if the decision of the Appellate Tribunal is against Mr. happy then he cannot appeal further against the order of the Appellate Tribunal.

- (b) (a) **Option in securities:** As per section 2(d) of the Securities Contract (Regulation) Act, 1956, option means a contract for the purchase or sale of a right to buy or sell, or a right to buy and sell, securities in future, and includes a *teji*, a *mandi*, a *teji mandi*, a *galli*, a put, a call or a put and a call in securities. Options are contracts, through which a seller gives the buyer, a right, but not the obligation, to buy or sell a specified number of shares at a pre-determined price, within a set time period. These contracts are essentially derivatives, since they derive their value from an underlying security on which the option is based. With options, one can tailor his position according to his own situation and stock market outlook.
- (b) **Spot delivery contracts:** Section 2(i) of the Securities Contract (Regulations) Act, 1956 describe spot delivery contracts to mean a contract which provides for –
  - (i) Actual delivery of securities and the payment of a price therefor either on the same day as the date of the contract or on the next day, the actual period taken for the dispatch of the securities or the remittance of money therefor through the post being excluded from the computation of the period aforesaid if the parties to the contract do not reside in the same town or locality;
  - (ii) Transfer of securities by the depository from the account of a beneficial owner to the account of another beneficial owner when such securities are dealt with by a depository.”

3. (a) As per Section 328 of the Companies Act, 2013, where a company has given preference to a person who is one of the creditors of the company or a surety or guarantor for any of the debts or other liabilities of the company, and the company does anything or suffers anything done which has the effect of putting that person into a position which, in the event of the company going into liquidation, will be better than the position he would have been in if that thing had not been done prior to six months of making winding up application, the Tribunal, if satisfied that, such transaction is a fraudulent preference may order as it may think fit for restoring the position to what it would have been if the company had not given that preference.

If the Tribunal is satisfied that there is a preference in transfer of property, movable or immovable, or any delivery of goods, payment, and execution made, taken or done by or against a company within six months before making winding up application, the Tribunal may order as it may think fit and may declare such transaction invalid and restore the position.

In the above question, the company had created a legal mortgage on 22nd May, 2020 and the creditors made a petition for winding up of the company on 23rd September, 2020, so the above transaction of creation of legal mortgage on the freehold land of the company falls within the ambit of section 328 of the Act.

Therefore, creation of mortgage of the freehold land of the company is the transaction covered under the fraudulent preference since the mortgage is created 6 months preceding the date of making of winding up petition and therefore, the Tribunal may order as it may think fit and may declare such transaction of creation of mortgage as invalid and restore the position.

- (b) Direct investment outside India/overseas direct investment means investments, either under the Automatic Route or the Approval Route, by way of:
- (i) contribution to the capital or subscription to the Memorandum of a foreign entity or
  - (ii) purchase of existing shares of a foreign entity either by market purchase or private placement or through stock exchange, signifying a long-term interest in the foreign entity (JV or WOS).

#### **Difference between Automatic Route and Approval Route for direct investment**

**Automatic route for direct investment or financial commitment outside India:** An Indian Party has been permitted to make investment/ undertake financial commitment in overseas Joint Ventures (JV)/ Wholly Owned Subsidiaries (WOS), as per the ceiling prescribed by the Reserve Bank.

With effect from July 03, 2014, it has been decided that any financial commitment (FC) exceeding USD 1 (one) billion (or its equivalent) in a financial year would require prior approval of the Reserve Bank even when the total FC of the Indian Party is within the eligible limit under the automatic route [i.e., within 400% of the net worth (Paid up capital + Free Reserves) as per the last audited balance sheet].

**Approval route for direct investment or financial commitment outside India:**

- (i) Prior approval of the Reserve Bank would be required in all other cases of direct investment (or financial commitment) abroad.
- (ii) Reserve Bank would, inter alia, take into account the following factors while considering such applications:
  - (a) Prima facie viability of the JV / WOS outside India;
  - (b) Contribution to external trade and other benefits which will accrue to India through such investment (or financial commitment);
  - (c) Financial position and business track record of the Indian Party and the foreign entity; and
  - (d) Expertise and experience of the Indian Party in the same or related line of activity as of the JV / WOS outside India.

Therefore, under the approval route (proposals not covered by the conditions under the automatic route) prior approval of the Reserve Bank would be required. For which a specific application in Form ODI with the documents prescribed therein is required to be made through the Authorized Dealer Category – I banks.

In the above question, the fast track insolvency resolution process is not applicable on the Defaulter Ltd. because the total assets exceed rupees one crore, so the financial creditors of the company cannot file an application under the fast track insolvency. Therefore, an application for fast track insolvency resolution cannot be made. The insolvency resolution process shall be completed within 180 days from the insolvency commencement date and extendable by maximum 90 days.

In the above question, there has been change in shareholding of directors which falls under the “substantial change in management” including appointment of CEO and the decision of the Reserve Bank as to whether the change in management of the asset reconstruction company is a substantial change in management or not, shall be final.

Therefore, the decision of the Reserve Bank as to whether the change in management of Perpetual Ltd., is a substantial change in management or not, it shall be final and will be held valid.
